Social Committee

Now we are planning the holiday activities which are as follows: Boat Regatta will be Nov. 26th at the dock with apple cider, cheese and crackers and cookies. We need volunteers to help with the cookies. Please sign the sheet if you can help. Please bring a new unwrapped toy to the Regatta.

We will decorate the Christmas tree in the Clubhouse on Nov. 27th at 3:00. Please come and help us. Christmas dinner will be on Dec. 10th at 5:00. There are sign up sheets on the bulletin board. In order to be counted for the dinner you will have to pay ahead as this will be catered and I don't want to order food that we do not have money for ahead of time. Thanks for your help with this. We will have stuffed shells, meat balls, Italian bread, salad and dessert.

We are also having a food drive in the Village. You can bring some non-perishable goods to the dinner, or call me and I will pick them up or you can leave them on my steps. Also for the dinner, bring a \$1.00 gift for the entertainment. Please bring a new unwrapped toy. If you have any questions about any of these events, please notify me or someone on the Social Committee. Hope all of you have a good safe holiday season. *Pat Horne, Chair*

Smile!

A man in Topeka, Kansas decided to write a book about churches around the country. He began in San Francisco and worked his way east from there. At a very large church, he began taking photographs and making notes. He spotted a golden telephone on the vestibule wall and was intrigued by the nearby sign that read, "Calls: \$10,000 per Minute." The man found the pastor and asked about the phone and the sign. The pastor answered that this golden phone was, in fact, a direct line to heaven.

The man thanked the pastor and continued on his way. He visited churches in Seattle, Houston, St. Louis, Chicago, Milwaukee, and many cities and towns all around the United States. In each location, the writer found more phones with the same sign, and he received the same answer from each pastor he questioned.

Finally, the writer arrived in Myrtle Beach. When he entered a church in this beautiful state of South Carolina, he saw the usual golden telephone. However, the sign at this telephone read, "Calls: 35 Cents." Fascinated with the discrepancy, he asked to speak with the pastor.

"Reverend, I have been in cities all across the country. In each church, I found this golden telephone and have been told it is a direct line to heaven, but in the other churches the cost was \$10,000 per minute. Your sign reads only 35 Cents per call. Why?"

The pastor, smiling broadly, replied, "Son, you're in South Carolina now. Heaven is a local call!"
