

WINDJAMMER VILLAGE

April 2026

I have a few mistakes that were found in the last newsletter. First off I meant to say that the winter peak hours would end on March 31st not March 1st, the summer hours begin April 1st, which is this week.

The other is:

Attendee interaction should be limited to 10 minutes so that others can interact with the village. This is actually 3 minutes.

I am sorry for any inconvenience this may have caused.

BE RABBIT READY: HAVE TWO WAYS OUT!

How can the Easter Bunny help us learn fire safety? Like his rabbit family, the Easter Bunny burrows in the ground and builds his home with two ways out so he'll be able to escape if he senses danger. And just like bunny rabbits have two ways out, so should we.

Fire is unpredictable and moves much faster than most people realize. When a fire breaks out, we may have as little as two to three minutes to escape once the smoke alarms sound. A practiced escape plan (essentially a home fire drill) will make families more prepared in the event of a fire or smoke emergency.

Get a jump, or a hop, on fire safety with these important escape planning tips:

- Make a map of your home and mark all doors and windows that can be used to escape.
- Choose a meeting place outside in front of your home. This spot should be something permanent where you will be able to meet every time there's an emergency. Draw this spot on your map.
- "Call 9-1-1." Write this near your meeting place. (Never call 9-1-1 from inside a smoke-filled home.)
- Discuss the map/plan with everyone and place the map in a spot that it can be seen often. (On a refrigerator, by an exit door, etc.)
- Discuss practicing the escape plan so everyone knows that you will do this as a family from time to time.
- Practice your escape plan frequently (grown-ups can initiate by pressing the test button on smoke alarms) so that everyone knows what to do. If possible, practice at different times of the day, including nighttime.

Be Rabbit Ready! Make sure you and your loved ones are prepared for a fire emergency or smoke-filled home. Like the Easter Bunny recommends: Always have two ways out!

Want to learn more? Our friends at the National Fire Protection Association have a terrific video, "BE RABBIT READY HAVE 2 WAYS OUT." Check it out on YouTube!

Source: National Fire Protection Association

Thanks to Maria Bostian for the submission.

WJV Committees

The Village needs chairpersons and committee members for several committees this year. Below is a detailed description of each committee that currently needs a chairperson. The current chairperson for the Architecture committee has advised the BOD they will resign effective July 1, 2026. Also, the current Maintenance chairperson has only committed until July 1, 2026. Volunteers are especially important to our Village to keep our expenses down. If you are interested in any committee, please complete the attached form and return it to the office. As chairperson, you must attend the Board meeting quarterly, preferably monthly, to report on committee status and budget updates. Participating in a committee gives you the opportunity to make future enhancement to the Village, as well as help maintain our beautiful Village. Contact the BOD for any committee-related questions.

Each committee shall consist of a chairperson and two or more members. The chairperson shall be appointed by the Board of Directors (BOD) following each Annual Meeting to serve until July 31 of next year and the general membership will be advised. The BOD may appoint other committees as needed.

- The **Architecture Committee** shall advise the BOD as to all structures to be constructed on the property to ensure that the style, size, etc. is kept with the overall plan of development. The BOD will approve or disapprove plans and specifications as provided in the Declarations of Restrictions after considering the opinion of the committee.
- The **General Advisory Committee** shall consist of two members from each of the three sections of WJV. It is to report to the other committees and the BOD on any area. It shall hold meetings from time to time as its members determine.
- The **Maintenance Committee** shall advise the BOD on all matters pertaining to the maintenance, repair or improvement of the common properties and facilities of the Village and shall perform such other functions as the BOD, in its discretion, determines.
- The **Nominating Committee** shall compile a list of qualified nominees for the BOD and shall place those names in nomination at the April regular meeting of the BOD. Nominations may be made from the floor or by petition providing nominees are qualified and have consented to run.
- No Director shall serve on any standing committee.

Waste and Recycling

As part of our ongoing efforts to manage community expenses responsibly, we want to inform you that our waste removal provider will be implementing a 6% fuel surcharge on recycling services. While this increase is beyond our control, we are taking proactive steps to help minimize the overall impact on our association.

A key way residents can help is by reducing the volume of both recycling and household trash. We kindly ask all members to be especially mindful of compacting materials before disposal, which can significantly improve container capacity and reduce the frequency of pickups.

Please assist by:

Flattening and breaking down all cardboard boxes before placing them in the designated recycling container.

Compacting recyclable materials to maximize space in recycling bins.

Compacting household trash (compressing bags, breaking down bulky items, and reducing air space) before placing it in dumpsters.

Consolidating non-recyclable waste whenever possible to minimize overall volume.

Placing all items inside the dumpsters or designated containers—please do not leave items outside.

Even though the surcharge applies to recycling, reducing the overall volume of waste—especially through consistent trash compaction—can help control service frequency and associated costs across the board.

Our community is fortunate to have convenient on-site trash and recycling services. By working together and being mindful of how we dispose of materials, we can preserve this valuable amenity and manage rising costs effectively.

We appreciate your cooperation and continued commitment to keeping our community clean, efficient, and well-maintained.

Thank you for your support,

WJV BOD

recycling's dirty dozen¹²

NEVER place these 12 ITEMS in a recycling bin or cart

recyclemoreSC
A 40BY2020 PARTNERSHIP PROGRAM

1 NO Plastic Bags

Plastic bags are a SERIOUS contaminant and jam sorting machines at recycling facilities. Plastic bags with a #2 that are clean, dry and empty may be recycled at participating grocery stores.

2 NO Plastic Bags with Recyclables Either

Workers have to slow the conveyor belts to open bags that contain recyclables. These inefficiencies waste time and money.

3 NO Shredded Paper and Other Small Items

Shredded paper and other small items often become litter before reaching the recycling center. Once there, they fall through the cracks of sorting machines, stick to belts and contaminate properly sorted material.

4 NO Scrap Metal

Scrap metal – such as steel, brass, iron and aluminum – cause excessive damage to recycling equipment. Take scrap metal to a scrap metal dealer or recycling center.

5 NO Hazardous Household Materials

Paint, automotive fluids, household cleaners and similar materials must be disposed of properly. Check to see if your county has a collection program or offers single-day collection events. If not, follow the instructions on the label.

6 NO Flattened Bottles or Cans

Sorting equipment separates “flats” (paper) from “rounds” (containers). When containers are flattened, the equipment mistakenly sends them to the paper side of the facility, contaminating the paper going to market.

7 NO Non-recyclable Plastics

Loose plastic lids, Styrofoam® and other plastic may not be recyclable where you live. Check with your local recycling program.

8 NO Caps/Lids on Glass Bottles or Jars

Metal lids can be removed and recycled loose in the bin or cart. Throw away plastic lids and caps from glass bottles and jars.

9 NO Liquids or Food

When bottles are compacted for shipping, liquids drip and splatter, creating a sticky, smelly mess. Empty and quickly rinse all containers before recycling.

10 NO Non-recyclable Glass

Glassware, ceramics, Pyrex baking dishes, light bulbs, fluorescent lamps, window glass and mirrors cannot be recycled. These types of glass often are treated with chemicals and have different melting points than traditional container glass (e.g., bottles and jars).

11 NO Rope-like Items

Water hoses, holiday lights, leather belts, etc., should not go in curbside bins or carts. These items wrap around machines. Holiday lights can be recycled at some scrap metal dealers.

12 NO Diapers or Bio-Hazardous Waste

Syringes and needles, diapers and other sanitary products **ARE NOT** recyclable and pose a risk to workers. Visit www.scdhec.gov/HomeAndEnvironment/Recycling/DisposingofNeedles/ to learn how to properly dispose of syringes and needles.

Please visit www.scdhec.gov/recycleheresc to see what is recycled where you live.

The 40by2020 Partnership is a group of public and private stakeholders dedicated to sharing knowledge, coordinating resources and working together to help South Carolina meet or exceed its 40 percent recycling goal set for 2020. Partnership members include PalmettoPride, Pratt Industries, Sonoco Recycling, the S.C. Beverage Association, the S.C. Department of Commerce and the S.C. Department of Health and Environmental Control.

Windjammer Village of Little River
Board of Directors Meeting
Thursday, February 19, 2026
At the Clubhouse

The Windjammer Village Board of Directors meeting was called to order by President, Anna Marie Farr, at 7:00pm in the clubhouse. Board Members present: Bobby Kardack, Scott Robinson, Vickie Lynch and Dianne Sarles. The Pledge of Allegiance was recited.

Vickie Lynch made a motion to approve the Board of Directors meeting minutes for January 15, 2026, as read and submitted prior to this meeting. Second by Bobby Kardack. Motion carried.

At 7:13pm Vickie Lynch called for the Board of Directors to go into an Executive Session. No decisions were made during the Executive Session, and the Board of Directors resumed the normal Board of Directors meeting at 7:20pm.

TREASURER REPORT:

None

STANDING COMMITTEES:

Reports received from the Architectural, Budget and Finance, Hospitality, Maintenance, Recreation, Social, and Security Committees have been attached making them part of the minutes.

ARCHITECTURAL:

None

TREES:

Bobby Kardack made a motion to approve the removal of 1 Pine tree that is too close to the house at 2222 Jefferson Cir (H11). Second by Vickie Lynch. Motion carried

Dianne Sarles made a motion to approve the removal of 2 Oak trees that are crooked and hanging over the house jeopardizing the new roof at 2148 Gamecock Cir (B00). Second by Bobby Kardack. Motion carried.

Bobby Kardack made a motion to approve the removal of 3 trees that are hanging over the driveway/roadway at 2130 Calabash Cir (A14). Second made by Dianne Sarles. Motion carried.

Bobby Kardack made a motion to approve the removal of 1 Oak tree that is leaning too close to the house at 2119 Lexington Cir (M17-18). Second made by Vickie Lynch. Motion carried.

Bobby Kardack made a motion to approve the removal of 1 Gumball tree because the roots are damaging the driveway at 2110 Marion Cir (E05-06). Second made by Dianne Sarles. Motion carried.

OLD CONCERNS:

2135 Lafayette Circle (G28) – Stairs need repair, sent letters to owner, owner responded he will have the stairs fixed. Fined \$100.00 in June 2025 and \$200.00 in July 2025. Stairs have been repaired.

- Vickie Lynch made a motion to close the concern because the stairs have been repaired. Second made by Dianne Sarles. Motion carried.

2228 Jackson Circle (D12-14) – Failure to clean up yard. Sent letter to owner, no response. Owner has paid \$100.00 in fines.

- Dianne Sarles made a motion to hold over to March BOD meeting as BOD is looking into having lot cleaned up. Second made by Scott Robinson. Motion carried.

2111 Adams Cir (F41) – Unkept lot. Owner said he will clean up. Yard hasn't been cleaned up. Owner will be in WJV in a couple of weeks to take care of.

- Bobby Kardack made a motion to hold over to March BOD meeting because owner will be taking care of in March. Second made by Dianne Sarles. Motion carried.

NEW CONCERNS:

2102 Lafayette Cir (G01-02) – Unkept yard. Owner sent pictures showing it has been cleaned up.

- Bobby Kardack made a motion to close the concern because the yard has been cleaned up. Second by Dianne Sarles. Motion carried.

2162 Plantation Cir (O01) – Unkept yard. Has been cleaned up.

- Dianne Sarles made a motion to close the concern because the yard has been cleaned up. Second by Vickie Lynch. Motion carried.

OTHER:

- Dump trailer – Suggest working on dump trailer to pick up leaves in Village. If Village isn't going to use it, they should sell it. Bill Cockerham fixed the trailer.
 - Dianne Sarles made a motion to close because the trailer has been fixed. Second by Vickie Lynch. Motion carried.
- Request to change R/R/R, Section IV, Item 2(c)
 - Dianne Sarles made a motion to approve changing R/R/R, Section IV, Item 2(c) to read:

Use of the Clubhouse by individuals or programmed activities, other than those provide by a WJV Chairperson, shall in no way offer any program which is of a commercial nature for monetary gain or recognition.

Second made by Vickie Lynch. Motion carried.

- Parker Lucas is the new Maintenance person.
- Need applicants for Opener/Closer
- Need applicants for Secretary of the Board
- Road Paving Contract with Powerhouse Paving

Thursday, February 19, 2026

- Bobby Kardack made a motion to approve the contract from Powerhouse Paving for \$245,000 for repair of the roads in Windjammer Village. Second by Dianne Sarles. Motion carried.
- Ed Schutte is the liaison for the road paving project. Please see attached summary Ed presented.

MEMBERSHIP INTERACTION:

Barbara Johnston, Bill Cockerham, Rob Bontemps, Scott Faggart, Bennie Dowty, Christy Ann, Margaret Alusick, Leo Tatarinchik, Pat Horne, Renee Zialkowski, Nick Alexander, Mary Burroughs, Ed Schutte

Discussion about road paving project: What the contract says, what happens if the \$100,000 isn't approved, what is scope of project with both phase 1 and 2. Insurance and business license questions.

Anna Marie read the contract.

ATTENDANCE: 28 WJV Members

Dianne Sarles made a motion to adjourn the meeting. Second made by Bobby Kardack. Motion carried.

There being no further business, the President adjourned the meeting at 8:50pm.

Respectfully submitted,

Liz Eby

Liz Eby
Board Secretary

FEBRUARY ARCHITECTURAL REPORT

2215 Swamp Fox, Steve Miller. Request for 8X10 Shed. Denied due to lack of drawing for placement. Requested twice

2244 Jackson Circle, Michael Webster. Replace parts of existing driveway. Approved

2125 Lexington Circle, Jane Tuttle. Pour concrete patio in rear of house. Approved

2174 Gamecock Circle, Rich Haney. Regrade rear yard and install low retaining wall. Approved after all Board members saw what is being done.

2231 Jefferson Circle, Mark Porter. New metal roof, silver. Approved since other silver roofs previously approved

2168 Gamecock Circle, Robert Benton. Pour concrete driveway. Pavers were previously approved for project.

2182 Plantation Circle, Greg Huff. Replace screens with windows. Install siding to match house below windows. Approved

2166 Marion Circle, Dan Phillips. Install whole house generator. Approved.

2167 Plantation Circle, Joe Bufforino. Install new grey shingle roof. Approved

2152 Gamecock Circle, John Hutchinson. Construct 10x10 shed. Approved

2282 Vereen Circle, David Beck. Replace rotten wood siding and deck. Repaint same color. Approved

2207 Franklin Circle, Margaret Alusick. Replace roof with charcoal shingles due to leaks. Approved

Security committee budget

Old budget vs new budget

Last year we had a total budget of 21,000. We spent \$3700 on a new system for the clubhouse(DVR, internal memory, new wiring , and labor)

Front office estimate for the same type of setup would have been \$5898, and after all of the poor customer service, quality, and lack of urgency with the clubhouse setup, we have decided to go with a more modern, and efficient approach.

Front office estimates for new cameras, subscription, monitors, and desk monitor for front gate, including solar power for outdoor cameras is just under \$1000

Clubhouse cameras are very old, and will have to be replaced with newer models at around \$200 each. All cameras being replaced will eventually cost around \$4400. This does not need to be replaced now. Only a few are necessary because of current sun damage.

Lighting is very important, and each solar powered light with over 9000 watts should be around \$130. 10 lights should be sufficient for now, with more testing being done throughout the new year. Cost is around \$1500

Unforeseen costs such as hardware for the clubhouse, internal memory, wiring, or labor should not exceed \$5000

New budget request \$12,000

RECREATION COMMITTEE

On March 21st, we had our Easter Egg Hunt with 28 kids attending. The kids started the morning doing various crafts that included coloring, creating a magnet, making a headband and decorating a pot to plant their sunflower seeds. After craft time the children enjoyed hearing about the true reason for Easter with Deborah Christenburg reading to them the Easter Story. Then it was time to hunt eggs. There were three age groups with 300 eggs filled with candy for each group along with 2 golden eggs that contained \$5 donated by several volunteers. After emptying out their eggs they enjoyed juice and cupcakes.

Thank you to everyone that donated eggs and/or candy, stuffed and hid eggs, assisted at the craft tables and helped set up and/or clean up. You all make this possible!

Page Kardack, Recreation Chairperson
(803) 420-3939 / Page729@gmail.com

SOCIAL COMMITTEE

No activities for the month of March.

See you in the village!

Page Kardack, Social Chairperson
(803) 420-3939 / Page729@gmail.com

UPCOMING ACTIVITIES & EVENTS

- | | |
|------------------------------------|--|
| April 11, 2026 @ 7am – 12pm | <u>YARD SALE</u> – Time to do some spring cleaning and see whose trash is another man's treasure. Sign up sheet is posted at the clubhouse for INSIDE tables only! (\$5 each) |
| April 18, 2026 @ 4pm | <u>CORNHOLE TOURNAMENT & FOOD TRUCKS</u> – It's finally time to throw some bags! Sign up starts at 3:30pm. Come grab some food and play or just watch! |
| May 2, 2026 @ 10am-Until | <u>POOL TOURNAMENT</u> – Sign up sheet will be posted at clubhouse 2 weeks before event. |
| May 2, 2026 @ 5pm | <u>KENTUCKY DERBY PARTY</u> – Come watch the races and wear your best hat for the hat contest! |
| May 16, 2026 @ 4pm | <u>CORNHOLE TOURNAMENT</u> – Lets' throw some bags. |
| May 30, 2026 @ 12pm | <u>4th ANNUAL BBQ COOKOFF</u> – Do you have the best BBQ? |

Upcoming activities/events and any date/time changes are posted on the bulletin board at the clubhouse.
