SOCIAL COMMITTEE

The Social Committee was very busy in November. We had our first Holiday Craft Fair on November 11th with 15 vendors from within the village and surrounding areas. Despite the rain we had a steady flow of shoppers, and everyone seemed to be pleased with the turnout.

Later in the evening on November 11th we gathered at the clubhouse to have Game Night. This event has turned out to be a fun time with neighbors that includes lots of laughter. Come out and join us at the next one on January 13th!

The highlight of the month, after stuffing ourselves with turkey for Thanksgiving, is the annual Intercoastal Boat Regatta that was on Saturday, November 25th. The committee lit up firepits and everyone enjoyed roasting marshmallows and eating s'mores. We also "stuffed the boat" and collected toys for Toys for Tots. Many thanks to all who donated toys and/or money to purchase toys and if you missed it the drop box will be located at 2111 Lexington Circle until the December 7th and we'll deliver the toys the next day.

PLEASE NOTE UPCOMING EVENTS DATES AND TIMES.

December 9, 2023 @ 5pm

Christmas Party – Bring a side dish and if you'd like to play Dirty Santa bring an unmarked wrapped gift the value of \$20 and let the laughter begin.

December 16, 2023 @ 6pm

Christmas Golf Cart Parade – Decorate your cart and let's tour the village looking at all the decorated houses. Then we'll vote on our favorite.

January 13, 2024 @ 6pm

Game Night – Gather at the clubhouse for games and laughter.

January 20, 2024 @ 5pm

3rd Annual Chili Cookoff – Bring your best pot of chili and see if you have what it takes to win the most votes.

Don't forget to check out the bulletin board in the breezeway at the clubhouse for the upcoming events and the 2024 Event Calendar is also posted.

THINK ABOUT IT

Just realized the
last day of 2023
will be 123123.

They call us "The Elderly"

We were born in the 40-50-60's.

We grew up in the 50-60-70's.

We studied in the 60-70-80's.

We were dating in the 70-80-90's.

We got married and discovered the world in the 70-80-90's.

We venture into the 80-90's.

We stabilize in the 2000's.

We got wiser in the 2010's.

And we are going firmly through and beyond 2020.

Turns out we've lived through EIGHT different decades...

TWO different centuries...

TWO different millennia...

We have gone from the telephone with an operator for long-distance calls to video calls to anywhere in the world.

We have gone from slides to YouTube, from vinyl records to online music, from handwritten letters to email and Whats App. From live matches on the radio, to black and white TV, colour TV and then to 3D HD TV. We went to the Video store and now we watch Netflix.

We got to know the first computers, punch cards, floppy disks and now we have gigabytes and megabytes on our smartphones.

We wore shorts throughout our childhood and then long trousers, Oxfords, flares, shell suits & blue jeans.

We dodged infantile paralysis, meningitis, polio, tuberculosis, swine flu and now COVID-19.

We rode skates, tricycles, bicycles, mopeds, petrol or diesel cars and now we drive hybrids or electric.

Yes, we've been through a lot but what a great life we've had!

They could describe us as "exennials"; people who were born in that world of the fifties, who had an analog childhood and a digital adulthood.

We've kind of "Seen-It-All"!

Our generation has literally lived through and witnessed more than any other in every dimension of life.

It is our generation that has literally adapted to "CHANGE".

A big round of applause to all the members of a very special generation, which will be UNIQUE.

RANDOM STUFF

YOU DIDN'T KNOW

YOU NEEDED TO KNOW.

The custom of bringing evergreens into the home began in the 16th century among northern and eastern Europeans, primarily Germans, as a means of cleaning up the Christmas tree and making it more uniform. Instead of throwing out cut-off greens, people wove the excess into wreaths.

However, the religious significance is that the circular shape and evergreen material of the wreath represent eternal life. The circle, which has no beginning or end, "symbolizes the eternity of God, the immortality of the soul and the everlasting life we find in Christ."

Rudolph the Red-Nosed Reindeer first appeared in 1939 when the Montgomery Ward department store asked one of its copywriters to create a Christmas story for kids that the store could distribute as a promotion. In the first year alone 2.4 million copies were distributed and late in 1949 Gene Autry recorded the song "Rudolph the Red-Nosed Reindeer". The adorable movie featuring the island of misfit toys and Herbie the elf hit the airwaves (and our hearts) in 1964.

Contrary to popular belief, "Xmas" is not a trendy attempt to "take Christ out of Christmas". "Christianity" was spelled "Xianity" as far back as 1100. X, or Chi, is the Greek first letter of "Christ" so "X" and back in the fourth century, Constantine the Great often referenced the shorthand version. Some say it was as early as 1021 that the abbreviation "XPmas" was used to reference the holiday, which was later shortened to "Xmas."

If you've ever watched Clark Griswold decorate his house in ***Christmas Vacation*** this stat likely doesn't shock you. In fact, the Consumer Product Safety Commission's most recent news release estimates that 14,700 people visit hospital emergency rooms each November and December from holiday-related decorating accidents — which is about 240 injuries per day. The most common accidents involve falling, lacerations and back strains.
