## YOUR COLLEGE PLAN

Professionals like doctors, lawyers, or executives invest on their formal education to succeed. The money these professionals borrow to pay for their education may be well worth it. Let us assume you borrow \$500,000 to become a medical doctor. By the time you graduate, you will be looking at your initial earnings of over \$200,000. As you increase your work experience, your annual pay will increase for the rest of your life. So, the rate of return on your investment is huge.

~~REGULAR \$7,500~~
