

Helping people find their path to growth and independence

October 2, 2019

“Find Someone in Need - Give Them a Portrait”

Help-Portrait is a worldwide annual event that gives photographers, hairstylists and makeup artists the opportunity to give back to their local community. Help-Portrait is about **GIVING** pictures, not taking them. These portraits are for families, children and adults who otherwise couldn't afford the cost of a professional photo. The day is a chance to capture a moment, a memory..... and a whole lot more. During our 2018 event, we provided professional heirloom quality photographs to almost one hundred individuals (and two dogs)!

This year members of Southern Delaware Help-Portrait will again, volunteer their time and their talents to do just that on **Saturday, November 23, 2019** in Milford, Delaware. In partnership with People's Place, Help-Portrait Southern Delaware will be giving those less fortunate an opportunity to schedule a professional portrait session on this date. Local well known photographers will take photos which will then be printed and framed onsite while guests wait - all free of charge!

Emily, a young mother with three children, was thrilled last year as she saw her portrait coming out of the printer and exclaimed how happy her parents were going to be when she gave them the photo for Christmas. .

Last year at the Milford Help-Portrait event, a young mother of two, cried tears of joy when she was given her picture. She said, “You made me look beautiful. I didn't think that was possible.”

Will you please join us to help make this day possible for others in our community like these young mothers?

Your generous gift will enable us to purchase USB drives so that each attendee can receive all of their images for future use and sharing with friends and family, printing supplies, photo paper, frames, food and drink for attendees, and cover rental fees. All of our professional photographers, hairstylists, and make-up artists are volunteers that cheerfully bring their own supplies for the event.

Any support will be highly appreciated by us and those we serve on November 23rd. If you have any questions or would like to help please feel free to contact me at the information below. Financial donations can be made directly to our Go Fund Me site <https://www.gofundme.com/hpsodel2019>. We have an exciting option to also purchase needed items directly from our Amazon Wishlist:
