PRESS RELEASE: DISOLVE NOT PAUSE, BIDEN'S DISINFORMATION BOARD

FROM: Susan Hathaway-Altman for Congress Campaign in the 11th District of Illinois

TO: Citizens of the Eleventh Congressional District of Illinois

FOR IMMEDIATE RELEASE: May 18th, 2022

I am very happy to hear that after my calls and demands to defund the Disinformation Governance Board, the President finally gave today a first step in the right direction.

But this is not enough!

Our 11th district citizens demand more, and are not satisfied with the board having been "Paused" - we need it dissolved, dismantled completely, and effective immediately.

I am starting a substance-driven solution movement to end the infringement on our First Amendment Rights. I salute the support for my outcry for freedom, specifically on what pertains to the First Amendment, by other national leaders like Senator Cotton and Senator Paul, who have stood by our freedom of speech.

I call for an immediate cessation from agencies of the Biden Administration against the everyday Americans' Right to Free Speech, as it is a core value of our Democracy, and an enumerated right in the Constitution.

I will stand up to protect this right for all Americans.
