

Cruise with Confidence

Canceled Voyages, March 12-May 10, 2020 Compensation Options

If you were booked to sail between March 12, 2020 and May 10, 2020, your voyage will automatically be canceled by Princess® as part of our voluntary and temporary pause of global ship operations. You do not need to call us to cancel the cruise, and you should have been notified by email with the following compensation details:

COMPENSATION OPTIONS

In the hopes that you will “Stick with Princess” and allow us to shine for you at a later date, we are pleased to offer you two generous compensation options, which vary based on your sailing date (see chart below), as we sincerely share in the disappointment of your canceled cruise. To make your selection, click to access [Compensation Form](#).

OPTION
1

BEST VALUE!

Receive a Future Cruise Credit that represents up to 225% of the value of your canceled cruise. We strongly recommend this option as it offers the **maximum benefit for your vacation dollars**. For example, if you booked a comparable cruise at a later date, the added value would, in many cases, cover the cost of an upgrade to a balcony or Mini-suite!

OPTION
2

You can request a refund to your original form of payment and get up to a 100% Future Cruise Credit, based on sailing date.

COMPENSATION OPTIONS BY VOYAGE SAILING DATE
