Craft	Ligo Creations	I make wooden holiday and home décor. Signs, nativities, snowmen, poly lumber pokes. Everything is hand cut, and hand painted by me!
Craft	Mythical Minerals and More	We are thrilled to share our ever-growing collections with you! You'll find a wide variety of minerals, semi-precious gemstones, and rough specimens, along with polished treasures, unique carvings, and beautiful handcrafted jewelry. This year, we've expanded our offerings to include laser-engraved creations that align perfectly with our mystical aesthetic. We're so proud to carry an exclusive line of Cryptid and Mythical Creature items - perfect for those who love the magical and mysterious. In addition, we're branching into the world of recycled "Junk" Journals and bookish delights, including our fan-favorite Blind Dates with a Book! Step into our shop and experience the wonder of an enchanted bookstore and mercantile, where every shelf hold something extraordinary, waiting to be discovered.
