- From washing up to cleaning and dusting, Sorbo's Microfibre Cleaning Cloth is ideal for all types of jobs around the home! Specifically developed for your car cleaning kit, kitchen, bathroom, windows, electronic screens and even floors.
- Sorbo quick-drying cleaning cloths are designed to effectively dissolve and remove grease spots. When used wet, the absorbent polyester fibers attract moisture and oil to cut through and lift grease and grime. It absorbs the dirt into the cloth instead of only moving it around.
- The 40x40cm extra large Microfibre cleaning cloths polish and leave surfaces scratch and streak free. They can be used for all types of surfaces even without detergent or polishes - all you need is water! Available in 6 fun colours to coordinate each cloth for a different task.
- These cleaning cloths can be used dry as dusters. The negatively charged macrofibres attract and hold dirt and dust, making cleaning effortless. They are completely reusable and can be washed for extended lifetimes.
