IMPACT REPORT

WHATEVER IT TAKES TO BUILD GREAT FUTURES

For the past 20 years the Boys & Girls Club has made Building Great Futures a priority in its approach to serving the youth of Bulloch County. While the global Coronavirus pandemic presented new challenges in 2020, the Boys & Girls Club worked diligently to ensure a safe environment with impactful programs led by caring adults were available when needed most.

Our impact during these unprecedented times is due to the generosity of many loyal supporters. We sincerely appreciate the individuals and businesses that made it possible for us to continue providing services for our children and their families.
