
THE DANCE STUDIO
2022-23
HEALTH & SAFETY
PROTOCOLS

Entering the studio...

Reminders to help us keep our dancers, families, and TDS Team safe & healthy...

- Use hand-sanitizer upon entering the building (bottles are near each entrance)
- Masks are optional & available near each entrance
- Dancers will have assigned numbers for footwear & dance bags
- Distancing in the waiting room is still encouraged
- Zoom classes will be running all year for students who are ill and cannot attend in-person

Masks & Dancing

2022-23 season

This year, masks are no longer required for dancers, families, and TDS Team members, but are available for those who feel more comfortable wearing them.

Masks will be available near all entrances for anyone wishing to wear them.

We want each dancer & family to feel safe and comfortable, so if you and your dancer choose to wear a mask, WE SUPPORT YOU!

Please talk with your dancer at home about being inclusive and supportive of dancers who may or may not be wearing masks this season.

Cleaning & Sanitizing

**Enhanced cleaning protocols
will remain in place this dance
season.**

Cleaning & Sanitizing...

Hand sanitizer will be required upon entering the building & will be in each studio room

Extra cleaning / sanitizing of high-touch surfaces, barres, floors, washrooms, banisters, etc. will remain in place.

3

Assigned numbers for shoes, coats & dance bags will continue.

Last season, we found that this helped students find items quickly, and there were no missing or mixed up shoes or dance items.

Drop-off for dancers...

Dancer drop-off will continue this season

The past 2 seasons, we saw a lot of new-found independence from students of all ages (especially our youngest dancers), when they were dropped off, and parents did not come in with them.

We want to continue encouraging parents to **DROP OFF** their dancers **NO MORE THAN 5-10 minutes** prior to class.

This helped dancers stay focused on their class, teachers, and friends, and promoted a more focused learning environment.

Supper Breaks

Dancers can stay at the studio on breaks between classes (and can bring snacks/supper).

Dancers above the 'First Steps' levels should bring a water bottle to dance.

What to expect in dance class...

In class, we will utilize hands-on correction teaching techniques, as well as verbal guidance, and video teaching tools to help every dancer learn at their pace.

If your dancer is uncomfortable with physical contact, please notify us so we can help each dancer feel their best.

What to do if my dancer is ill...

Stay home...

**...and email/call to
notify us.**

**Open your
Google
Classroom...**

**...all Zoom links,
and class videos
can be found here.**

**DANCERS:
Join us on
Zoom...**

**...put on your
dance attire &
dance with us
from home.**

**If your dancer is too unwell to participate
from home on Zoom, have them watch &
practice with the class videos once they are
feeling better.**

Thank you!

**We appreciate you entrusting us with
the health and safety of your child!**
