

Charles River Ballet Academy Nutcracker Sweet Info

CRBA Students in Pre Ballet, Primary, and Upper Division classes are invited to be in the CRBA Nutcracker Sweet! The Nutcracker Sweet is our family friendly 45 minute version of this classic story ballet performed onstage at Babson College Sorenson Center for the Arts on Saturday Dec. 7! This is an exciting performance workshop opportunity to dance in a fabulous fully costumed Holiday Performance on the big stage. Rehearsals take place during a special Nutcracker Workshop period with no regular classes to juggle, so students can focus on preparing for the Nutcracker without an arduous time commitment.

What's included:

- All Nutcracker rehearsals at the studio which take place outside of regular class time during our Nutcracker Sweet Workshop period: Nov. 18-22, 25, 26 and Dec. 2-4 (No regular ballet classes Nov. 18-Dec. 7!)

In most cases, we can work around your conflict(s) so that your student can participate. If we learn of conflicts after the casting has gone out and the rehearsals are set, a conflict may prevent your student from performing. If you have any questions, just ask! We want your student to perform and will work with you to make it happen!
