

1 Month Before the Move

- Reserve your move date and time with Quality Movers, Inc. (During the summer, it's best to call two months in advance)
- Buy your packing supplies or ask us to pack them for you. Quality Movers, Inc. has all your packing supplies and boxes.
- Ask your apartment management company/condo board if they need a certificate of insurance from Quality Movers, Inc.
- Call your management company/landlord to reserve your building's loading dock.
- Schedule your elevator for use during the move.
- Make parking space reservations if necessary.
- Go online or to the post office to fill out a change of address form.
- Contact all your doctors and other service providers.
- Donate your unwanted items. Did you know that some non-profits will even pick up your donations from your home?

Let the packing begin! Save time and money by printing in large, clear letters the name of the room each box belongs to in your new house, so the movers know where to take them on move day.
