

2 Weeks Before the Move

- Contact the Department of Motor Vehicles.

- Inform as applicable, both your current and new home's utility company of the upcoming Changes:
 - Water
 - Electric
 - Gas
 - Telephone
 - Cell Phone
 - Internet
 - Cable/Satellite
 - Home Security/Alarm System

- Disassemble larger items or ask Quality Movers, Inc.'s representative to add them to our services during the move.

- Order your parking permits if necessary. Your Quality Movers, Inc. representative knows this process well and can help you with permits.

- Make plans for a babysitter to ensure your kids are kept safely occupied during the move. Arrange for a pet sitter or pet boarding. Stores like Petco and PetSmart can provide pet-sitting services.

- Schedule time off your job to prepare for and to be present on the day of your move.
