501(c)(3) status pending

Contact: pauseforpawssanctuary@gmail.com

520.237.3035

Location: Arizona

Our Mission

To end the cycle of kill shelters by creating compassionate sanctuaries that provide lifelong care, on-site medical treatment, and the possibility of rehoming for animals in need.

The Problem

- 1.5 million animals are euthanized each year due to overcrowding and lack of resources.
- Many facilities are understaffed, underfunded, and overwhelmed.
- Temporary shelters aren't sustainable for long-term welfare.

Our Solution

- Rescue and rehabilitate at-risk animals
- Provide 24/7 live-in medical care and emotional support
- Rehome animals when possible, and provide sanctuary for those who need lifelong care
- Engage the community through education, grants, and pet reunification

Our Sanctuary Vision

- **Sanctuary Location / Headquarters:** Arizona's White Mountains (space, sustainability, serenity)
- **Intake Offices / Recruiting Centers:** Tucson & Phoenix, AZ (serving as rescue coordination hubs)
- **Fully staffed:** On-site caregivers, vets, and behavioral experts
- **Sustainable model:** Long-term care, eco-friendly operations, and community partnerships

Vision Statement: We want to redefine animal welfare, one sanctuary at a time.

Impact Goal: This Arizona-based hub will serve 2000+ animals per year with onsite veterinary care, enrichment, and a lifelong sanctuary.”

Investor Relevance: Phase 1 site development and infrastructure design. We’re now seeking foundational investors, major donors, and program partners.”

Why Now?

- Overwhelming local and national support
- Gap in the rescue and sanctuary space—especially in underserved areas
- Urgent need to reduce euthanasia numbers with sustainable alternatives

Competitive Advantage

- Not just rescue: a *sanctuary for life*
- On-site vet care and trained handlers
- Community-driven: education, grants, and outreach
- Long-term scaling vision
(nationwide sanctuaries and digital impact tracking)

Total Startup Ask: \$50,000

Use of Funds	Allocation	Amount
Property & Setup	40%	\$20,000
On-Site Staffing & Care	20%	\$10,000
Medical Supplies & Vet Expenses	20%	\$10,000
Operational/Administrative	15%	\$7,500
Marketing & Outreach	5%	\$2,500

80% directly benefits animals. 20% supports essential staff.
