

# How Does an INDEXED Annuity Work?

Growth potential with downside **protection**.

**M**  
**PLAN WITH MAC**  
YOUR FUTURE. YOUR LEGACY.

  
**Protection**  
Your principal is protected from market downturns.

  
**Growth Potential**  
Take part in market upside without direct market risk.

  
**Locked-In Security**  
Gains are locked in and can't be lost due to a downturn.

  
**Built for You**  
A smart, tax-advantaged strategy for your future and your legacy.
