

Professional golf coach Joey Kwon will provide coaching for students. Joey is an experienced coach and has spent many years coaching in Korea. Several of his students went on to play professional golf in Korea.

Students may choose to have extra coaching over and above the Golf Programme coaching sessions and this will incur additional costs. Extra coaching can be arranged to take place during school breaks or at times suitable to the student and the coach.

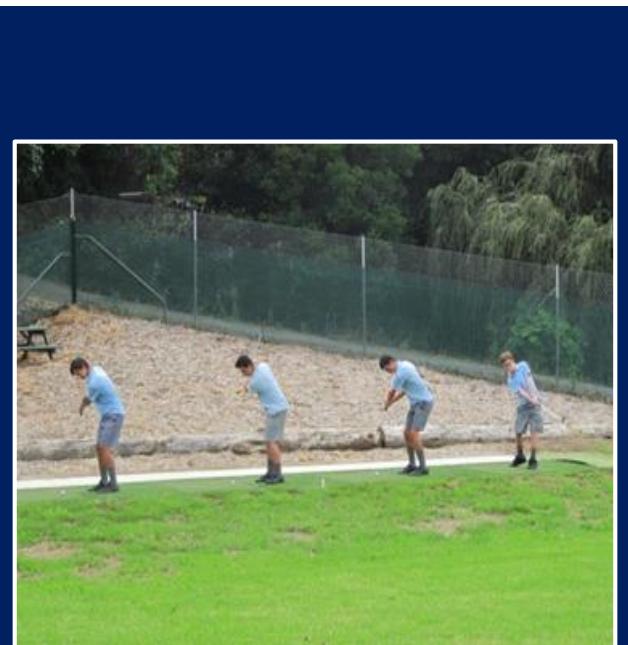

We can tailor a programme to suit your needs.

**Please contact us**

**Please note**

- All one-one-one coaching sessions need to be arranged ahead of time with the coach
- The cost for the Golf Programme only includes costs associated with the activities at the Whangarei Boys' High School Golf Academy, and membership to Whangarei Golf Club. It does not include costs for additional coaching sessions the student may require, competition entry fees, or for costs incurred by the student at a golf course e.g. cart hire, etc.
- Transportation to the Whangarei Golf Club and golf events needs to be arranged separately

## Whangarei Boys' High School Golf Academy

Whangarei Boys' High School has a Golf Academy onsite and runs a development Golf Programme in conjunction with a professional coach. The Golf Programme at Whangarei Boys' High School provides students with the most comprehensive golf coaching and development programme in Northland, New Zealand.

### The Programme

- Course management skills
- Knowledge of equipment
- Game preparation skills
- Life skills
- Short game skills
- Self-discipline and control
- Provide basic full swing motion and sequence drills
- Understanding of short game needs

Coaching will be supported by the latest technology at an indoor golf studio, and a new outdoor facility, both onsite at the school to ensure the students get the most out of each session.

### This includes:

- Video swing analysis, to video and analyse swing motion to correct the smallest detail in your swing
- Swing Catalyst Balance Plate to measure weight transfer in your swing
- The Flightscope ball flight monitor that tracks the ball and club and calculates the speed of both

For a demonstration of what the Flightscope system has to offer please view the link below.
