

# 2019 PROSPECTUS

*“A wise woman shapes her own destiny”*

# WE HONOUR THE PAST

The aging oak trees and the carefully crafted landscape are the essence of the original Hamilton High School site that forms part of our heritage and inheritance from former pupils. The time, planning, devotion to learning and the strong stewardship of past principals, have all contributed to the students' experience of Hamilton High School, Hamilton Girls' High and Hamilton Boys' High. Hamilton High School was a focal point for the growing city and guided many of New Zealand's future leaders. Over the last hundred years, thousands of families have contributed to building these schools; their spirit, and their soul.

After 100 years of progress, Hamilton High School has grown into two notable schools: Hamilton Girls' High and Hamilton Boys' High. The founding members were committed to providing an education that would produce sound young women who are able to pursue their destinies both in New Zealand and globally.

While Hamilton Girls' High School is proud of its heritage, it is also proud of its history as a leader and innovator in girls' only education and its responsiveness to the needs of contemporary girls.

The School's Strategic Plan affirms its traditions and strengths, while making a commitment to educate students to be citizens of an increasingly global community in which empathy, trust and ethical values are important. Education for the world of the 21st century emphasises the need for each student to be a lifelong learner capable of critical and creative thinking.

# A MESSAGE

## from the Principal

---

“*Hamilton Girls' High School embraces the challenges of the 21st century to support our girls to become thoughtful, confident and resilient young women.*”

Hamilton Girls' High School has shaped and influenced our young women since 1911. Core values and principles underpin a dynamic learning environment and our students are given every opportunity to aspire to excellence. We cater for the all round educational needs of our young women and offer an outstanding education pathway to ensure the best possible career destination.

As educational leaders at Hamilton Girls' High School, we are committed to consolidating on and lifting the bar for raising the achievement across the four cornerstones of Academic, Leadership, Cultural and Sporting endeavours. Our young women are encouraged to achieve in the classroom and to combine this success with involvement in sporting and cultural activities. A balanced education embraces whole person learning and allows them to be challenged, extended and motivated in all aspects of their life.

As a parent, choosing the right school for your daughter's education is an important decision. The adolescent years are particularly significant in education because students are at a stage in their lives where they are faced with choices and challenges that shape or determine success in future years.

Standards in a school are essential – standards drive motivation, hold levels of confidence and empower students and staff.

Our expectations of our students are high. We expect them to be well dressed, polite, courteous and prepared for learning. Becoming fully engaged in our school culture is essential and an exciting part of being at secondary school.

Our school hostel is a wonderful asset. It offers quality residential accommodation for 130 students in a supportive living and learning environment.

Our School motto in Latin is *Sapiens Fortunam Fingit Sibi*:

*“A wise woman shapes her own destiny”*

It is our aim to ensure that every girl who passes through our gate will be given the opportunity to shape her own destiny. *I invite you to be part of our school.*

The education that we as students receive is powerful however Hamilton Girls' High School is more than just education. It's a school that values diversity, change and supports the growth of an individual in her journey.

"When you inspire others to learn more, dream more, be kind and achieve their goals, that is when you are a leader." Serving as Head Girl this year gives me a platform to implement what the students want and need to make Hamilton Girls' High School a place they love. A place where they feel confident to be who they are and have endless opportunities that open their eyes to their potential. I am proud to be part of a school environment that nurtures, supports and works alongside you to become the wise woman you want to be.

# COURSES OF STUDY

Hamilton Girls' High School is committed to the delivery of the New Zealand Curriculum and takes, as its starting point, a vision of our students as lifelong learners who are confident and creative, connected and actively involved.

## JUNIOR SCHOOL

Our Junior students have a broad foundation across all eight learning areas of the NZ Curriculum. This helps ensure that girls are prepared to make well-informed choices about the subjects they will specialise in when they reach the senior school. The subject range is suited to students of all aptitudes and abilities. Homework is important. Establishing good routines and study habits from Week One is essential to enhancing achievement.

## BYOD

In order to do this we aim to provide students with the skills, knowledge, confidence and guidance to be an effective, ethical and safe user of ICT.

***The expectation is that students will bring their own device to school***

## SENIOR SCHOOL

The Senior school is structured to provide flexibility of choice throughout all subjects and to ensure that knowledge and experience gained in each year of study enable students to make well informed curriculum choices for their future. Broadband streaming in Year 11 is offered in Mathematics, Science and English.

***Striving for excellence at every opportunity ensures pre-requisites are met and goals achieved.***

## EXTENSION CLASSES

Two Junior Extension classes are formed based on high achievement in entrance examinations and demonstrated ability in the students' prior learning. Knowledge and experience gained in each year of study enable students to make well informed career pathway choices for their future. Extension students are expected to study a language through to the end of Year 10. It is highly recommended that this continues through to the end of Year 11.

## ACADEMIC COUNCIL CAPTAIN - Anjali Rajiv

I have always been a strong believer in the fact that the harder you work for something, the greater you'll feel when you finally do achieve it. The beauty of this mindset is that it not only applies to academia, but in fact every other field within this school. This, for me, is what has fueled my passion for learning through the past 5 years.

My name is Anjali Rajiv and I am pleased and proud to be able to introduce myself as the academic captain for 2018. Alongside my team of 10 academic prefects, I am excited to build upon the already well-established academic achievement and profile of our school.

Here at Girls' High, I have found teachers who love to teach and students who love to learn. This - along with the extensive range of books, tools and equipment - is what lit the fire in my belly to set ambitious goals and actually end up achieving them. With subject specific prefects, tutorials, workshops, librarians and counsellors, Hamilton Girls' High School provides the ideal atmosphere for academic achievement and is proudly my school of choice.

# THROUGH EXCELLENCE

Preliminary applications to University rely on Year 12 NCEA Level 2 results. Students who aspire to Year 13 and entry to University or other Tertiary institutions are advised to choose subjects which have a pathway to University Approved subjects in Year 13.

**Vocational courses are also available.**

## YEAR 13

Students may choose any five subjects. Subject descriptions and prerequisites are listed in the curriculum handbook.

Students need to be aware of the University Entrance requirements, and strive to exceed the minimum prerequisites noted for each subject in successive years at school.

## UNIVERSITY ENTRANCE

**University Entrance in 2018 requires:**

Achievement of NCEA Level 3, including:

- 14 credits in each of three subjects from the list of approved subjects.
- 10 numeracy credits at Level 1 or higher, and 10 literacy credits (five in reading and five in writing) at Level 2 or higher.

Universities now expect the award of University Entrance plus a specified Guaranteed Entry Score advertised with each University course. These are minimum requirements only and entrance to many specialist courses require a higher level of achievement.

## STUDENT COUNCIL CAPTAIN Rebecca-Rose Ngatai

I am so honoured and grateful to serve as Student Council Captain in 2018. At Hamilton Girls High, every student is heard and their voice and opinion matters in what happens in and around the school. The Student Council enables the student's ideas to be put into action working as students, for students. This student-led culture, endless opportunities, the strong sense of sisterhood and high quality education is why I chose Hamilton Girls' High School 5 years ago, and why I am so proud to call myself an HGHS girl.

# OPPORTUNITIES FOR ALL

Hamilton Girls' High School has always supported the importance of life beyond the classroom. Students are encouraged to embrace all activities, expand their experiences and further develop new passions. ## SPORTS COUNCIL CAPTAIN AND DEPUTY HEAD GIRL - **Jazmin Hotham**

It is my privilege to be selected as Deputy Head Girl and Sports Captain. Although there will be many challenges, my passion for sport will allow me to lead from the front. Hamilton Girls' High School has such a strong sporting culture within our school, and many of our teams and individual athletes achieve amazing results. I believe sport builds great character as well as shapes great people. Throughout my Hamilton Girls' High School sporting journey I have learnt so much and as I am now nearing the end of this chapter, I hope to pass down my knowledge to those just beginning their sporting and academic journey here at Hamilton Girls' High School.

# LEADING LEARNING THROUGH ARTS

Hamilton Girls' High School is a lively, thriving school where the visual arts (design, photography, painting and drawing, computer arts) and the performing arts (music, drama and dance) are seen as crucial to the health and well-being of our students and an important part of their training for life. Girls are invited to express their creative 'voice' in our supportive environment.

***The Arts Council organises a range of activities in its different interest areas (see left) in which students may choose to engage and compete. These include the Talent Quest, combined School Production and many competitions!***

## PERFORMING ARTS AND CULTURAL GROUPS

There are a multitude of groups such as orchestra and choirs, debating and movie making, cultural dance groups, theatre sports, samba band, art club and more.

Our barbershop singers have a reputation for excellence and regularly perform in the national finals while our Drama department is known for its spectacular and professional productions (with Hamilton Boys' High School) every second year. The school production involves all the arts groups from dancers, vocalists, actors, visual artists and musicians and certainly is a huge undertaking.

At Hamilton Girls', cultural ability and diversity are welcome and respected. Our Kapa Haka and Pasifika groups have a reputation in our school and communities as graceful and strong performers, exhibiting their passion and hard work in the local, regional and national competitions while the Indian dance group performs regularly and successfully in the upper North Island competitions.

Itinerant teachers give lessons in vocals, string, wind and brass instruments, electronic and acoustic guitar, and percussion instruments. For lessons there is an administration fee of \$40.00 to cover general costs and some instruments are available for hire.

## INTERNATIONAL TRAVEL

On occasions, there is the opportunity to join an international trip, such as recent trips to Europe, Japan, France, Hawaii and Spain for Languages, Sport, The Arts or Cultural Trips. Many students participate in short and long term exchange programmes. Our school supports students who wish to apply for a Gap Year between Year 13 and commencing at university.

## ARTS COUNCIL CAPTAIN - Savannah Mattyasovszky

The Arts community at Hamilton Girls' High School has been the place that's shaped me into the person I am today. This year I am incredibly proud to lead the Arts community as Arts Captain for 2018, as my way of giving back to the community that has inspired me immensely. We have a diverse range of courses and opportunities here at HGHS, there's certainly something for every student. One of my main goals for this year is to boost student achievement and involvement in all of the arts opportunities we have to offer. Although I am personally involved in visual arts, I have watched my friends and peers thrive in all of the Arts throughout the years. We have many beautifully talented students within our school. I hope you will join our community and show us what you've got.

## STUDENT LEADERSHIP

Student leaders at Hamilton Girls' High School are given the opportunity to lead and promote a culture that fosters excellence and participation within our school, through leading students and leading an area of responsibility.

***“You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You’re on your own. And you know what you know. And YOU are the one who’ll decide where to go...” - Dr Seuss***

Every student at Hamilton Girls' High School has the potential to be a leader. Leadership begins with understanding ourselves and is founded on personal leadership, whereby individuals have the capacity to lead their own lives and consistently make wise choices based on sound values. Effective leadership can be learned through developing both the character and competence of our students and by providing them with opportunities and training to exercise leadership responsibilities.

All students are encouraged to develop their leadership skills through participation and service.

### SERVICES COUNCIL CAPTAIN - **Jaime Foster**

The role of Service Captain at Hamilton Girls' High School is an honour and one that I will carry out with pride. A school of our size has the potential to make such a huge difference in our community whether this is by giving money, donating goods or by just simply giving our time. Because of this capability, our school takes action wherever and whenever we can and when we can't, we find a way around it. This school turns ideas into plans with events such as Valentine's Day, Charity Week and the 40 Hour Famine. They are but a few of the ways that we make an impact and make differences that matter. Hamilton Girls' High School is a giving and friendly environment that will help you develop your leadership skills and push you to take actions that help better other people's lives.

# STUDENT SUPPORT

Coming to a new school can be quite daunting. We have an extensive network set up to provide the help and support that is needed for students and parents. A learning environment with constructive working relationships, positive friendships, and personal responsibility are essential in the development of competent young women.

---

## HOUSE SYSTEM

In 2010, the school launched a new house system, allocating every student in the school to a house. The five houses are Heads, Edgcombe, Wilson, MacDiarmid and Campbell. The houses compete in a wide variety of events including athletics, swimming, cross country, talent quest, charity collections and academic performance. The house system generates pride and passion for Hamilton Girls' High School and a sense of ownership. The house system also contributes to the promotion of competition among the students.

## VERTICAL TUTOR CLASSES

When a girl arrives at Hamilton Girls' High School, she is placed in a vertical tutor class, which includes other students from years 9 to 13. She will stay in this tutor class, with girls from her and every other year in the school, for the whole of her time at Hamilton Girls' High School. All girls in that tutor class belong to the same House, with older girls able to help younger girls make the transition to high school successfully. Your daughter will be supported by the same tutor group teacher throughout her time with us. A schools within schools pastoral structure and vertical tutor classes ensure the best possible support for girls as they become young women.

## HEADS OF SCHOOL

In 2017 every House has a Head of School and a Dean. They have the responsibility of providing academic and pastoral support for all students within their house.

## TUTOR GROUP TEACHERS

Tutor group teachers have daily contact with their tutor group class. Your tutor group teacher will be the first person that parents and students will have contact with. They oversee the academic progress of students, attendance and participation in activities.

## INTERNATIONAL STUDENT TUTOR GROUP

At Hamilton Girls' High School we offer an International Student Tutor Group to help students new to New Zealand transition to a NZ High School culture.

## GUIDANCE COUNSELLORS

Where problems or concerns are of a more confidential and personal nature, the Guidance Counsellor is a person you can talk with. Our Guidance Counsellors are available by appointment and have the experience and ability to provide support for any situation or issue our young women may face. They also have access to a network of specialists to support their work.

## STUDENT WELLNESS: HEALTH CLINIC

A qualified nurse is available 9:30am - 2:30pm daily, and a free doctor service is available one afternoon per week by appointment.

## CAREERS COUNSELLORS

The Careers Counsellors are available to help all students with choosing career pathways and course planning, goal setting and time management that is necessary to achieve their chosen goals. ## WHANAU TUTOR GROUPS

Our teachers have an expectation that they will engage with students to foster respect and encompass Tikanga Maori. Whānau Tutor Groups are called on to offer support to the school; this can include Powhiri, manaaki and tiaaki.

# HISTORY OF SONNINGHILL

The hostel for Hamilton Girls' High School was first established in 1915 at "Abbotsford", a gracious old Hamilton home situated in Anglesea Street.

---

In 1930, the hostel was moved across the river to the former Diocesan School building in River Road and named "Sonning" after an English village. Over the next few decades, the building became old, inadequate and in need of extensive repairs. The decision was made to relocate to the present site on land formerly owned by Hamilton Technical College. This move removed the long walk from one side of the city to the other and was much more convenient for the students.

The official opening of Sonninghill was in 1971 with 83 students accommodated in a brand new hostel. Since then, senior units, a senior common room (Wynne-Jones Lounge), a games room and television lounge have been added.

## FACILITIES

Sonninghill caters for up to 132 boarders in Years 9 to 13. The main hostel building accommodates all Year 9-11 students in four dormitories. The hostel also has a modern fully-equipped industrial kitchen, dining room, laundry, sick bay, lounge, movie style TV lounge and prep rooms.

The Wynne-Jones block houses senior students and includes a kitchen, lounge, laundry, study room and eight four-bedroom motel-style units each with an ensuite.

Other student facilities at Sonninghill include: wireless internet & printing, a solar heated swimming pool, trampoline, tennis/netball court and barbecue area.

Our games room includes a pool table, air hockey table, and exercise equipment. Basketball and volleyball can also be played in our hostel grounds.

Students have access to computers, copiers, black and white and colour printers, TV, video and Sky TV in both junior and senior lounges.

The hostel flat is self-contained and sleeps four. It is available to parents/caregivers who wish to stay overnight for a minimal charge.

## MEALS

The catering service provides tasty, balanced, nutritious meals and will cater for students requiring special dietary needs where possible or appropriate. Students make their own school lunches at breakfast time.

Themed dinners are planned occasionally and students are encouraged to help organise and get involved.

## HOSTEL STUDENTS

Students are encouraged to continue with their hobbies; art, cultural or sports activities.

Hostel staff organise a range of activities for boarders including the annual swimming sports and a variety of in-house competitions.

Some activities are held with Argyle House of Hamilton Boys' High School. These include inter-hostel swimming sports/tabloid sports, socials and other activities.

## UNIFORM

The school uniform rules apply to all hostel students. In the hostel, students wear tidy mufti of their own choice.

## INTERNATIONAL STUDENTS

Sonninghill can accommodate international students. The Hostel provides a wonderful experience and life skills for international students who wish to study in NZ at Hamilton Girls' High School. Boarding allows students to be fully immersed in the English Language and experience other cultures with girls of similar ages.

Please apply through the Director of International Development at Hamilton Girls' High School. Each application is considered on a case by case basis.

### SONNINGHILL HOSTEL HEAD GIRL

#### Haydee Anson

Hi, my name is Haydee Anson and I'm very honoured to be Hostel head girl for 2018. My role this year consists of many different things like arranging hostel activities, events with Argyle (Hamilton Boys High hostel) and ensuring the girls live in a fun and comfortable environment. Along with this I am working to give all the girls more of a say in activities they want to partake in, meaning taking and listening to any new suggestions/ideas they have.

All in all, I want to continue to keep hostel spirit high by always encouraging the girls and reminding them to be themselves and to not be afraid to put themselves out there. Since day one Sonninghill Hostel and Hamilton Girls' High has always stood out for me and I am forever grateful for having the opportunity to be a part of this experience.

# INFORMATION AND ADVICE ON INTERNATIONAL STUDENT ACCOMMODATION

## ACCOMMODATION TYPES

As you will be under 18 years old when you start at Hamilton Girls' High School, the Code of Practice for the Pastoral Care of International Students says you must live in one of the following kinds of accommodation while attending the school:

- a homestay
- Sonninghill Hostel
- with a Designated Caregiver
- with your parents.

You may not live in any other type of accommodation while you are under 18.

A designated Caregiver must be a relative or a close family friend. If your parents would like you to live with a designated caregiver, your parents must sign an indemnity document. Please contact the International Student Manager and he can provide you with the correct form to complete and return to us.

Your Designated Caregiver must also sign an agreement. Once we receive the Indemnity Document signed by your parents, we will send the Designated Caregiver Agreement to the designated caregiver and arrange to inspect the property and meet the designated caregiver.

During set leave and term breaks, International students staying at the hostel who do not have a local guardian in Hamilton will be placed with a homestay family. An additional fee will be required as outlined in the fee schedule.

Note: Accommodation is subject to the approval of Hamilton Girls' High School

Hamilton Girls' High School assess the suitability of all homestay accommodation. All homestay providers are screened and their homes visited to determine the suitability of the accommodation being offered in accordance with the provisions set out in the Code of Practice.

Where possible, students are also involved in the assessment of accommodation by discussing the assessment with the coordinators and by visiting the proposed home beforehand.
