FACILITIES AT GURUKUL

The perfect blend of modern & traditional, global yet Indian, the MIT VGS campus is nestled in the lap of nature and has technologically advanced international facilities.

- Wi-Fi enabled campus with high-speed connectivity
- 24x7 power backup
- Multipurpose Auditorium
- Playground & specialized sports arenas
- Yoga & meditation sessions
- Library with comprehensive resource material
- Premium standard Boarding facilities
- Medical centre & Ambulance
- CCTV & round the clock Surveillance

CLASSROOMS

The student to teacher ratio of 18: 1 ensures personalized attention and necessary support to enhance the potential of every learner at MIT VGS.

The classrooms are designed keeping mind the needs of the students at various age groups and are:

- Bright, airy and spacious.
- Equipped with modern technology
- Provided with Locker facilities.

LIBRARY & LABORATORY

Our library is a resource centre with books (fiction, non-fiction and reference), newspapers, magazines, computers, online databases, CDs and DVDs. Located on the campus but away from the classrooms, it is open throughout the week to provide a quiet atmosphere for peaceful reading and study.

We believe in interactive & interesting methods to facilitate learning that engage students. Well-equipped laboratories of international standards for Physics, Chemistry and Biology as well as Computer Studies are on campus to facilitate practical understanding at MIT VGS.

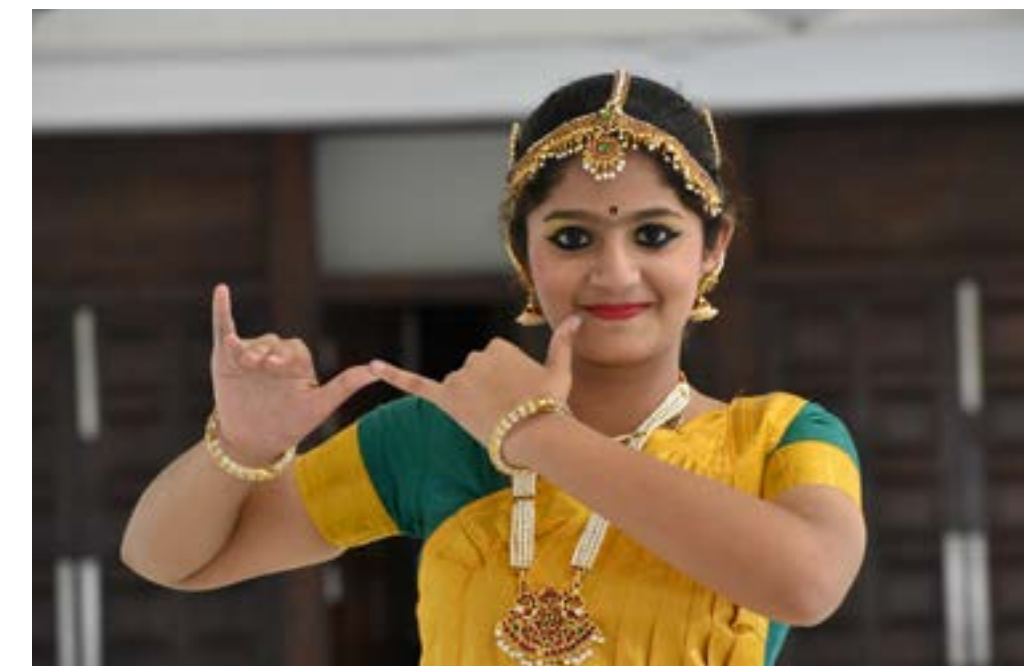

ART CENTRE

With emphasis on creativity and artistic expression, Visual & Performing Arts are a part of student's learning at MIT VGS through training, skilled guidance, lectures, workshops, competitions and more.

- Music - piano, drums, guitar, violin and Tabla
- Dance - Bharat Natyam, Kathak and Contemporary
- Visual art - design, drawing, art and craft.
- Spoken art - debates, elocution, speech, drama

Students learn sketching, singing, playing simple musical instruments and dancing, right from the primary school and are encouraged to explore their talents & strengths.

SPORTS & YOGA

With sports and games hour allotted every day, students are taught discipline, team spirit and fitness through ample opportunities.

The campus has:

- 1 Olympic size Swimming pool,
- Basketball court
- Football ground
- Cricket ground
- Table Tennis
- Gymnasium
- Coaching & training for Martial arts, Archery, carom and chess.
- Special weekly yoga & meditation sessions conducted by the ISKON group

With more than 200 national level players in varied sports from MIT VGS ,we pride ourselves as five time winners of TAISI Championship & providing one of the best of sports facilities in the country.

HEALTH CARE

To ensure that the wellbeing & emergencies are treated with utmost care and attention, complete healthcare facilities are provided at MIT VGS. This includes:

- A full-fledged infirmary with 10 beds.
- Consultation room.
- Separate wards for boys and girls on campus.
- 24 x7 Full time physician, staff nurses and nursing attendant.
- 24x7 ambulance.

In case of special cases the students are immediately referred to a leading hospital near the campus - 'Vishwaraj Hospital'.

REFECTORY

On the basis of the Seven Basic Food Groups, a balanced, healthy and vegetarian diet in all meals (breakfast, lunch, snacks and dinner) is provided.

The Gurukul Refectory is regularly visited by a dietician to ensure the best of quality and quantity.

We offer a large variety of nutritious Indian, Jain, Korean and Continental cuisine.

BOARDING LIFE

Girls and boys from ages 6-18 years can avail the boarding facility at MIT VGS.

International standards, excellent infrastructure, modern amenities and various facilities offers the students a safe, homely and nurturing environment.

A unique feature of the residential boarding is the Guru-Shishya Parampara where the students absorb life skills & discipline under the guidance, mentoring and care of their respective House Masters/Mistresses.

Key features :

- Daily prayers and value inculcation.
- Weekend activities in the boarding house.
- Monthly outings in and around Pune.
- Weekly updates for parents.
- Residential Doctor & Nurse as well as Ambulance is on campus 24 x7.

The residential life provides the perfect chance to become self-reliant, fearless ,confident and adaptive.

A GLOBAL CITIZEN

With students from diverse ethnicities (13 nationalities) and a global curriculum ,MIT VGS students' exposure creates a greater intercultural understanding and learning beyond classrooms.

The IB curriculum provides a holistic view of the world, promoting values of compassion, respect and acceptance for all people.

We at MIT VGS strive to create future global citizens who practice peace, unity & responsibility for the planet.
