

SINCE 2006

MIT PUNE'S
**VISHWASHANTI
GURUKUL**

AN IB WORLD SCHOOL

Dear Parents,

We are indeed blessed to work with a fabulous set of students- students with the broadest range of talents and interests; students who hail from the widest range of backgrounds. We would want our students to be able to take the fullest advantage of their high school and college education.

Applying to colleges and universities is an exhilarating and illuminating experience which gives students a chance to look at who they are, what they value, and what they might want to do with their life. It can also be a difficult, challenging, and time-consuming process. The University Placement Office in MIT Vishwashanti Gurukul serves as an eye-opener to the various career opportunities available to the youngsters at different stages of academic life. The University Placement Officer advises and assists students and parents through the university application process right from exploration of colleges, short-listing potential higher education destinations dissemination of information on admission requirements for various collegiate programs and submission of applications.

CC Session : Careers across the border (20.07.2018)

At MIT Vishwashanti Gurukul, we recognize the importance of good communication and good working relationships between students, parents, and the school. The UPO is not an establishment but an effort to make each student feel that there is someone in the school who knows them and care for them. We want to nurture not just international leaders but young global change-makers.

To acquaint students with the information about the world-wide options of undergraduate colleges and universities and their admission process, we host University Admissions Representatives from around the world. Numerous on-campus University Fairs and information sessions are facilitated for students to help them choose the best possible colleges. Here is an overview of the Universities that visited our school in the past few months:

S.no	Date	Day	Name of the University	Country
1	16.08.2018	Thursday	Carleton U	Canada
2	17.08.2018	Friday	University of British Columbia	Canada

85	08.02.2019	Friday	Frankfurt School	Germany

All our high school students and their parents are welcome to set up an appointment with our University placement officer for a meeting to discuss individual needs.

The University Placement Office is currently abuzz with students seeking assistance for university applications and decisions. While most of our students are eagerly awaiting for their college admissions decisions, a few of our students are weighing their acceptances. So far, 15 students have received offers from various universities:

CC Session : Student Speak (27.07.2018)

CC Session : Alumni Speak (27.07.2018)
