Fairy Floss Machine Setup Instruction Guide

1. BEFORE YOU START

Place the machine on a flat, stable surface

Ensure access to a standard 240V power outlet

Keep the machine under cover if outdoors

Avoid wind, moisture and uneven surfaces

Adult supervision is required at all times

1. SETTING UP THE MACHINE

Plug the machine into power

Turn on the main power switch

Turn on the heat switch

Allow the machine to preheat for 3 to 5 minutes

Do not add sugar until the machine is fully heated

1. MAKING FAIRY FLOSS

Add one scoop of fairy floss sugar into the centre spinner

Turn on the motor switch

Wait a few seconds for the sugar to melt and spin

To collect the fairy floss

Hold the stick horizontally

Rotate it around the bowl edge

Build layers slowly for best results

1. IMPORTANT OPERATING TIPS

Use one scoop of sugar at a time only

Keep the stick moving continuously

Do not overfill the machine

Works best in low wind environments

Allow the machine to reheat between batches if needed

1. SAFETY NOTICE

The machine operates at high temperatures

Do not touch the heating element or spinning head

Keep hands and objects away from the centre

Keep children at a safe distance

Turn off when not in use

Piece Of Cake Events is not responsible for injury or damage caused by incorrect use of the equipment

1. DURING USE

Refill sugar as needed using one scoop at a time

Monitor the machine and allow reheating if required

Keep the surrounding area clean and clear

1. TURNING OFF THE MACHINE

Turn off the heat switch

Allow the machine to run for 1 to 2 minutes to cool

Turn off the motor and power

Unplug the machine

1. CLEANING AND PACK DOWN

Allow the machine to cool completely

Remove excess sugar from the bowl

Wipe down surfaces with a dry or slightly damp cloth

Do not use excessive water

The machine must be returned clean and in the same condition
