From the Editor

Welcome to the third edition of Kingdom Families Magazine! We hope you have enjoyed our previous editions.

We are a family who loves Jesus and shining His light into this world. We hope this magazine encourages, inspires and equips your family to shine the light of Jesus in your life and the lives of others.

This edition we felt the Lord wanted us to focus on Jesus, the living water; He is our well of life! There are many ways we can spend time with God. There are lots of ideas for how you can, in this edition. When we spend time with Him, we can be filled afresh with this living water. We can then share this living water with others!

You will find activities around the living water, ways you can show God's love to others, living as believers and even some cards you can cut out and share with people who don't yet know Jesus! There is also a yummy dip to make and word art so you can enjoy getting creative too!

This edition we share the story of Jesus and the woman at the well. This is where Jesus shared about the living water with a Samaritan woman at a well. It completely changed her life and she shared about Jesus with many others where she lived! I certainly want this living water for myself and I want to share it with others too!

We hope that this edition inspires you to get into the word of God, learn more about the living water and encourage you to share about Jesus with others. This living water, Jesus, is too good to keep to ourselves! We need to share about Him and plant seeds in the lives of others. You never know what your prayer, card or conversation with someone might lead to in their life!

So keep shining the light of Jesus into your families and into this world. You are Kingdom changers! We are learning along side of you and cheering you on for the Kingdom!

A Lamp to My Feet A Light to My Path

BY ELIZABETH EINTHAL

The word of God says “Your word is a lamp unto my feet, and a light to my path”. (Psalm 119:105) Sometimes Jesus, who is the word (John 1:14) is a lamp unto our feet. This means that we might not be able to see far in front of us and we just follow where the Lord leads us, step by step. Sometimes, Jesus is a light unto our path and He lights up further in front of us to see where we are going or perhaps help us to choose the right path to follow. Both can be important at different times and in different seasons. Sometimes we may not know what is ahead for us in our life but we have a Heavenly Father that loves us and cares for us and you can trust Him with your future. Ask Him to lead you on the path of your life, to light up your steps and guide the way for you to go.

Sometimes it may feel like you're not sure if you are on the right path or maybe you are thinking “I don't hear from God like you do!”. Can I encourage you that our Heavenly Father wants to speak to you and does speak to you in many ways already. Jesus said in John 10:27 that “My sheep hear My voice, and I know them, and they follow Me.” If you follow Jesus, then you are His sheep and you can hear His voice! How amazing is that?

Also in Jeremiah 33:3 the Lord spoke through His prophet Jeremiah to say “Call to Me, and I will answer you, and show you great and mighty things, which you do not know.” This reassures us that if we desire it and ask, the Holy Spirit can and will speak to us and perhaps tell us things that we do not know. He will help to direct our steps and light our path. One important way that the Lord speaks is through His word, the Bible. Spend some time each day reading it, even if it is the same verse or passage; we believe that our Heavenly Father wants to speak to you!

Dear Father God, I pray that you would tune our senses so that we can see how you are speaking to us already. Please strengthen every person reading this so that they may continue to follow You wherever You are leading them. Encourage them that You are with them and have not left them, nor forsaken them. And although they may feel discouraged, we pray that you are the lifter of their heads, so they may keep their eyes and hearts fixed on You and your plans for their life.

When you don't know where you are going, you can trust in the Lord. We declare that step by step, we will continue to follow You Jesus! Amen

Kingdom Family

BY ELIZABETH EINTHAL

What is Kingdom family? What is God's heart for family? These are really good questions. I have been having a few conversations recently about Kingdom family, which were both confirming and surprising to me. Not every person's experience of a family here on earth is necessarily a good one; sometimes they cause pain and hurt which can impact how we then see our Heavenly Father. So, I began asking the Lord about what *His* design is for family and what is Kingdom family truly about. This is what He started to show me...

Kingdom family can be any place where relationships are built in unity, love and truth. A place where you can live in childlike faith and wonder. A place that will help to teach you, equip you and champion you. A place where people will fight for you, speak truth into you and love you back to life. Kingdom families are a place for everyone, a place to raise others up and a place of love and empowerment. Kingdom families are not perfect but they lead by example with forgiveness and apologising when mistakes are made.

If this sounds like your family on earth, then you are so blessed and can help to bring heaven here to earth by loving others well, as you have been loved. Maybe you are helping to build a place right now that will help others to feel the love of a Kingdom family.

If you think this sounds like a dream and isn't what you experience in your daily life, then have hope! If you love Jesus and have asked Him into your heart, then you are part of His Kingdom family!! Jesus is your brother, the Holy Spirit is your helper, teacher and comforter, and God is your Heavenly Father. You are now a son or a daughter of the Most High God! You have access to all of this through your relationship with Jesus Christ! The Passion Translation describes it beautifully: "To the fatherless He is a Father. To the widow He is a champion friend. To the lonely He makes them part of a family. To the prisoners He leads into prosperity until they sing for joy. This is our Holy God in His Holy Place!" Psalm 68:5-6 (TPT).

I encourage you to sit in His presence and ask to feel His love for you. Receive His love and His healing. He is a tree of life. He is the vine and you are the branches (John 15:5). If you don't feel that you have Kingdom family around you, I pray that you would be brought into family in Jesus name. Something that you might like to think about and discuss is how can you bring God's design for Kingdom family here on earth? If you don't yet know Jesus, please have a read of pages 25 and 26 to see how you can invite Him into your heart.

Cod Time

BY ELIZABETH, RUBY & ANNABELLA EINTHAL

Time spent with our Heavenly Father each day is so important. He is everything. All things were created by Him and through Him. Everything you need is in Him (Matthew 6:33, Philippians 4:19). So, how do you like to spend time with God? How do you worship and love Him in your everyday life?

It can get busy sometimes but we encourage you to always find a way to spend some time with Jesus each day. He came to give you life and life more abundantly (John 10:10). He is the way, the truth and the life (John 14:6). Time with Him is never wasted time. It is life giving for you!

There are different ways you can spend time with God. Sometimes you receive, sometimes you share His love, sometimes you read, sometimes you worship, sometimes you serve, sometimes you rest and sometimes you build. Here are a list of ideas for how you could spend time with Jesus each day. You can tick them once you have tried them to see how you like to spend time with God. KEYS OF THE KINGDOM

"And I will give you the keys of the kingdom of heaven, and whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven." - Matthew 16:19

This painting represents God gifting us the keys of the kingdom. He has already given us the keys. We are stewards of this great gift. This gift is powerful and we must learn to steward it well. God, the most powerful being, above and beyond anything we could ever conceive, has entrusted us with great authority. So, let's unite and unlock what God calls us to!

The second part of this painting is about who God is. It shows how beyond comprehension His royalty, His supremacy, His glory, His victory and His sovereignty is. God is our Father, but He is also Creator, Alpha, Omega, a consuming fire and full of unapproachable light. This painting shows this glorious side of our God and Lord. When we see a glimpse of the glory of God we stand in awe of His unfathomable glory, power and authority. Lord Jesus is alive and He holds the keys! (Revelation 1:8)

Creative Cooking

Creativity in the Kingdom comes in many ways. Enjoy some creativity in the kitchen with your family and share what you make with someone!

Garlic Pumpkin Dip

A friend shared the idea for this dip recently with us. We made a few changes, worked out the ratios for the recipe and love it! It's super simple but very yummy. We made it nut free with sunflower seeds and hemp seeds but you can use cashews instead if you want to. It's delicious with veggie sticks, crackers or even on pita bread or toast with some other toppings too.

INGREDIENTS

- ¼ - ½ of Kent Pumpkin (approx 1.5-2kg before cutting)
- 1 onion
- ½ cup sunflower seeds (chopped)
- ½ cup hemp seeds
- 1-2 teaspoons garlic powder (to taste)
- 1-2 teaspoons crushed garlic from fridge (to taste)
- ½ teaspoon salt
- A little olive oil and salt (to cook pumpkin)

METHOD

Step 1:

Chop the pumpkin and onion into small chunks and put them on an oven tray. Drizzle a little olive oil on top, sprinkle some salt and cook in an oven for 30-40mins at 180°C.

Step 2:

Chop up the sunflower seeds or pulse them in a blender so there are still some larger pieces left.

Step 3:

Once the pumpkin and onion are cooled, put them in a blender with the garlic powder, crushed garlic and salt. Blitz them together until fairly smooth.

Step 4:

Empty the pumpkin and onion mix into a bowl and mix through the chopped sunflower seeds and hemp seeds.

Step 5:

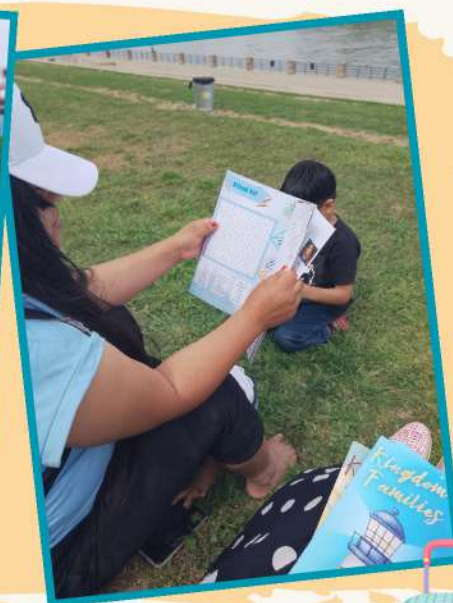

Enjoy with some carrot, cucumber and celery sticks, crackers or in a wrap! Store in the fridge.

My Psalm

Lord, when the wicked surround me,
and I can't withstand the evil,
I turn to You, and you drive them out,
You wipe my tears away,
and You patch up my sores.

You protect me in every direction from
evil and enmity, and all the erroneous
things and thoughts.
You cast away demonic spirits.
I shall fear no more evil,
for Your mighty hand
covers me in every direction.

I will bow down to you in
worship.

God's Love

BY ANNABELLA EINTHAL

Think about all the grains of sand in the whole world; at beaches, underneath the ocean and in sandpits. Sand is in lots of places, and that sand represents how much God loves you. He loves everyone, anytime, any way, all the time. God loves us more than we can imagine. He loves us with an everlasting love. His love never runs out. God loves us no matter what we do.

When you let Jesus into your heart, he becomes your Heavenly Father and adopts you into His family. When you're in His family, you have a good chance to learn more about God, let your faith grow deeper and experience God's goodness and His glory. And He really wants you to come into His Kingdom, where you can learn about His love and feel His love. His love is like a pool that never runs dry because God's love never runs dry.

Some things that I love and am thankful for are: God, my family and my friends. Here is my prayer to thank God for these things.

Dear God,

Thank you for you, and for my family who help me all the time. Thank you for my friends who are kind to me. Please bless my family and friends and lead us all to you and your love. Amen.

Now, what are some things that you love? Thank God for those things that you love and write your own prayer below...

Ways you can show love

Just like God loves you as much as the grains of sand on the beach, you can show love to others. On the sand and shells below, you can think of and write ways that you can show love to other people and then do them! I've written some ideas to help start you off.

Here are some Bible verses about God's love that you can look up for inspiration: Deuteronomy 6:5, John 15:12, Matthew 5:44, Song of Solomon 2:4, John 14:15-16 and John 14:23.

Living as Believers

For Kids and Teens

BY RUBY EINTHAL

Hello Kingdom Family! You are children of God! You are saved by grace, through your faith (see Ephesians 2:8-9)! Now that we have been saved, our love for Jesus means we care about what He cares about! I believe that God cares about:

- what we believe (see Romans 10:9-10)
- how we love (see I John 4:10-11)
- and what we do (see Ephesians 2:10)

When Jesus comes again, He will not judge us according to what church we went to or how often. He wants you to know and believe the truth. He wants you to know His love and show others that love. And, He wants you to be a blessing to this world out of your love for Him! So, let's learn a little more about these things!

Faith is like a tree:
believing is the roots,
love is the leaves,
acting is the fruit

Let's think about our faith like a tree: believing is like the roots, love is like the leaves and acting is like the fruit. Our faith tree goes through a journey, starting as just a small seed that we allow to be planted...

Do you know the first thing that a seed does in its life? It puts down roots. This is like our faith; when we believe in Jesus and are saved, we put out roots so that we have a good foundation to build our faith on. Jesus was sent by the Father to bring people into the kingdom (see John 6:38-40). He calls us to believe in Him (see John 11:25-26). As a child of God himself, Jesus came to tell people how amazing it is and to bring lost children home. Jesus wants to show us what is true (see John 8:32). The Bible even says that Jesus is the truth (see John 14:6).

After a seed puts out roots, it sends leaves up so it can get light and energy. Once we decide to believe in Jesus, we can see how much God loves us and we have the opportunity to show that love to others. Our Heavenly Father loves us so much (see John 3:16)! We don't need to do things to earn God's love, but we receive God's love and we release that love to others. He is better than the best dad you could ever imagine. Our Heavenly Father loves us and He created us; when we know this truth we are transformed! Always remember, even when you don't feel like it or you've been told otherwise, you are so loved, you are not alone and you are a beloved kid of the King of kings (see John 1:12)!

Let's imagine, our seed has grown into a tall tree, it has roots and leaves, but it hasn't produced fruit yet. God sent us the Holy Spirit, our Helper, to help teach us how to act (see John 14:26). Acting the way God asks us to it like fruit on our tree, it is delicious to God. Remember though, that we are not doing things to earn God's love. The way we act doesn't make God love us more or less, but when we do what He asks us to, He trusts us with greater tasks to build His Kingdom (see Matthew 25:23)!

Activation

Our faith is like a tree: believing is the roots, love is the leaves and acting is the fruit. Now we have learnt more about loving, believing and acting, how are we empowered to do this in our life? Below I have some ideas to get you started and then you can write some of your own ideas down. Think of different ways in your life that you can grow your belief, share God's love and act upon your beliefs. Then, find time to start doing these things.

ACT - THE FRUIT

Ask Jesus to show you an encouraging Bible verse to share with someone who needs it

LOVE - THE LEAVES

Think of someone who has hurt you, ask Jesus to show you how much He loves them, then forgive them and if possible, show them that love

BELIEVE - THE ROOTS

Read Psalm 23 and John 3:16 and consider what it means for you

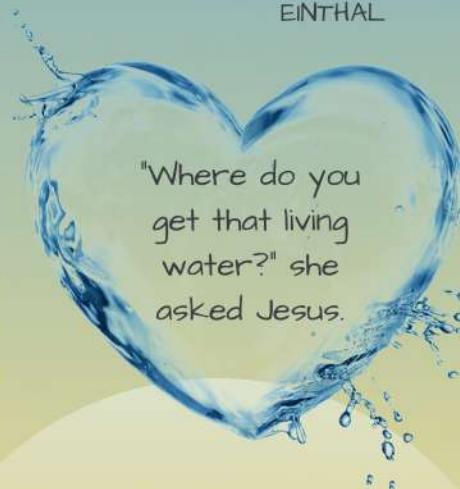

Jesus and the Woman at the Well

BY RUBY & ELIZABETH
EINTHAL

News was spreading throughout Aenon that Jesus was baptizing more people than even John the Baptist! Jesus decided to leave to go to Galilee, but on his way he stopped by Jacob's well in Samaria. Jesus sat down to rest there.

Now, Jews and Samaritans did NOT associate with each other. They did not talk to each other, eat with each other, or share their drinking vessels with one another. They had different beliefs about where they should worship God. The Jews believed that God dwelt in the temple in Jerusalem, and the Samaritans believed God dwelt on Mount Gerizim. Jesus was a Jew and he was in Samaria, the thought of it was crazy!

As Jesus sat by the well, a Samaritan woman came to collect water. Jesus started talking to her; she was very surprised to hear a Jew talk to her because, as you know, Jews didn't mix with Samaritans! Then, Jesus asked the woman for a drink which was even more shocking because, as you know, Jews and Samaritans would not drink from the same vessel! But Jesus kept talking, "If you only knew who I am and the gift that God wants to give you - you'd ask me for a drink, and I would give to you living water." (John 4:10 TPT)

This surprised the Samaritan woman even more because it was a very deep well and Jesus had nothing to collect water with. So, the woman asked Jesus, "Where then do You get that living water? Jesus said to her, "Whoever drinks of this water will thirst again, but whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life." That sounded amazing; no wonder the Samaritan woman jumped at the chance to get this water! She asked Jesus, "Let me drink that water so I'll never be thirsty again and won't have to come back here to draw water." (John 4:15 TPT)

Jesus asked the woman many questions about her life. But the amazing thing is that not only did Jesus ask the questions, but he told her the answers; answers no one else could have known. He told her about sins she had done. The woman was amazed! She thought that He must have been a prophet.

Then she asked Jesus why he thought that God dwelt in the temple, not on the mountain (a most controversial topic)? Jesus told her that the Messiah is coming, and that it will no longer matter where we worship God; but because God is Spirit, we will worship him in Spirit and truth. The Samaritan woman replied that she knew the Messiah was coming. Jesus spoke saying, "I am He."

The Samaritan woman believed and returned to her village to tell the great news that the promised Messiah had come! She spoke to them saying, “Come, see a Man who told me all things that I ever did. Could this be the Christ?”. (John 4:29) Many believed because of her testimony; others came to talk to Jesus themselves and they believed because of what they heard!

Wow! Isn't this story amazing! Jesus came to save not only the Jews, but everyone, both sinners and saints. The Samaritan woman found the Messiah, Jesus! He gave her the living water she needed.

We all have a well inside of us and a thirst to know our creator and His love. Just like the Samaritan woman, people try doing lots of different things to quench this thirst. If we are trying to fill our spirit with anything other than Jesus, it will not last and it will run out. If we try to fill our well up again and again with anything other than Jesus, we will only become empty again and again.

Jesus is living water; he quenches our thirst! Everything we need is found in him. When we are full of Jesus, we act like him, loving people, teaching the truth and showing the lost who Jesus is! If you haven't accepted Jesus into your life please read more on pages 25 and 26.

Jesus showed the Samaritan woman grace. Jesus came for the lost, broken and misunderstood, those that are lost and thought of as different. The Samaritan woman was one of these. When she met Jesus, she was transformed; then she went back to her village to share the good news and tell people her testimony (what Jesus did in her life). Her testimony helped many people believe that Jesus was the Messiah. So even though we may think that we are not able to be used by God, He may have other plans. Even though we may think we are broken, God can still use us while He heals us!

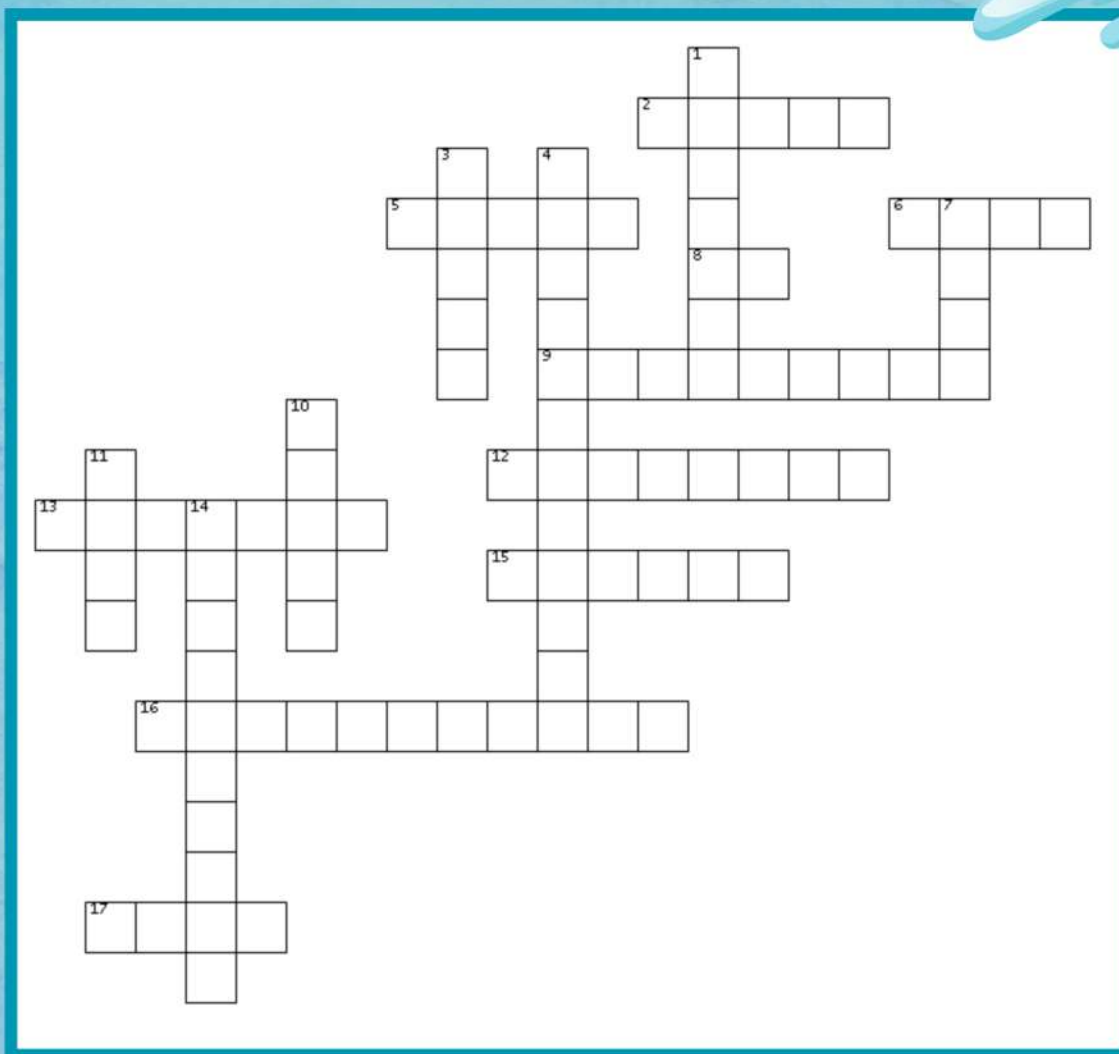

Has God done something in your life? It can be big or small. I know he has done amazing things for me; he saved me, healed me and has continued to transform me. That is my testimony. God gives us a testimony to share with others so they may believe too. God can use anything for good. If you are broken or your well feels empty, God can turn it around and give you an amazing testimony!

Do you want this living water in your life? Here is a prayer you can pray!

Lord Jesus, I know you are the only water that can satisfy my thirst. I ask you to show me anything in my life that I am trying to fill my well with, that isn't you. I ask you now to fill me with your living water so I won't thirst for anything but you. Lord, thank you for being in me. I ask that you show me my testimony so I can tell others the great things you have done for me. In Jesus' name AMEN!

Living Water

BY ELIZABETH EINTHAL

Are you feeling dry? Are you wanting to be refreshed? Are you wanting to know Jesus or go deeper with Him?

In John 4:14, Jesus was speaking to the woman at the well and said, “Whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life.” She responded that she would very much like this water! If I had to walk to get my water every day at a well, I think I would too!

So, what is this water and how do we get it? Well, the Bible verse above says that Jesus Himself provides this water. He also says that “He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water.” John 7:38

So Jesus is the living water! When you invite Him into your heart to live, He provides this living water for you! He is like an invigorating waterfall washing over you with His love and life. He is like a refreshing cold drink on a hot and thirsty day. He is clean and pure water to wash yourself clean in. Wow, how amazing is this? I know I certainly want all of these things!

The Bible also says that Jesus is the Word that became flesh and lived among us (John 1:14). So, if Jesus is the Word that must mean that reading the word of God is so important and will help you be refreshed with this living water each day.

Jesus is the way, the truth and the life. No one comes to the Father except through Him (John 14:6). Jesus came to bring you life and life more abundantly (John 10:10) so when you receive Jesus into your life and follow him, you are receiving the living water! Once you have received this living water – Jesus, you can continue to be filled with Him, His love and His life. Then you can also pour it out through your life, into the lives of others.

Dear Jesus, I pray that every person reading this would be refreshed and filled with your living water. May they be filled afresh to be vessels which carry your living water and may they pour it out through their lives and into their family, their friends, their community and their nation! We pray that others may then want to drink this living water too! Amen.

Do you know Jesus?

If you haven't invited Jesus into your heart before and want this living water for yourself, you just have to ask Him! Jesus is the Son of God and He died on the cross because He loves you and to take away your sins. He rose again and is alive today! We pray that you would feel His presence right now wherever you are reading this.

If you would like to invite Jesus into your heart and your life, here is a prayer you can pray...

Jesus, thank you that you love me. I want to know you.

Jesus, I believe that you are the Son of God. I believe that you died on the cross for all of my sins. I believe that you went into the grave and rose up from the dead, and you are alive today.

Jesus, I repent for all of my sins. Please forgive me and wash me clean. Come and live in my heart and give me a brand new start today. Fill me with your Holy Spirit and help me to make right choices. Jesus be the Lord and Saviour of my life!

Amen.

If you just prayed this prayer – YAY!!! We are so excited for you! You are now a friend of Jesus! We pray that He would continue to completely transform your life and work in your heart. We encourage you to read more about Him and His life in the Bible, get connected into a church or Bible study group if you aren't already. Talk to your parents or family about wanting to know more about Jesus! He loves you so, so much. Jump in the living water with Him, drink deeply from Him and enjoy learning more about Him. He loves you and you can trust Him.

If you prayed this prayer, please feel free to send us an email and let us know at hello@goldeneaglecreatives.com.au so that we can pray for you too!

If you have already invited Jesus into your heart, you might like to learn this prayer so you can help others if they want to know Jesus too!

The Hiding Place

An autobiography by Corrie Ten Boom with John and Elizabeth Sherill, *The Hiding Place* is a story of faith above fear and doing what is right when all around you is wrong. During World War II, hatred for Jews spread to Corrie's home in Holland. She and her family risked their lives to hide Jews in their home, which led to their arrest.

Corrie had a choice, between love or hatred, forgiveness or bitterness. Will she let the barbed wire that surrounds her encircle her heart? This inspirational story shows that God's love can change everything, even in the midst of a Nazi concentration camp. A well-written, transformational read.
