Subject: RE: Loan Note

I know you didn't prepare the discovery responses. I'm still trying to talk my client off his range.

Section 1 of this attached was not in your discovery documents. Instead the Ammonization schedule your client made was attached.

My client is under the impression this is a scheme to pass of the ammorizaiton schedule dated 10/5/2018 as a document he made. In an effort to deceive the court.
