Instructions:

1. Click to select any single or combination of states.
2. Click to select any single or combination of private colleges from a set of state(s).
3. On the right side menu, select the program you want to compare. They are compared individually.
4. Click any table's column headers to sort by that column.
5. To Drill through to program completions for a single college, right click on your college of interest.
6. Put your pointer on top of the 'Drill Through' option.
7. Select the single college program completion report.
8. NOTE: Drake University is the holding college for both Drill-Through reports.
9. To return to the main app, click on the Left Arrow button on the top left of the Drill Through page.
10. To look at another program completion report for the same set of colleges, simply click on the program name on the right hand menu.
11. To start a new report, return to the home page and click on 'Clear Filters'.

Send comments and new feature ideas to gary@collegeviability.com

Data Source:

- The data source is the IPEDS data on program completions for the reported years 2020-2022
- The College Viability Program Completion app reports at the program level only.
- College Viability completion reports for individual majors in each program will be released at a later date.
