Beacon Family and Friends,

It's impossible to miss the devastation that occurred in Florida, Georgia, Tennessee, South Carolina and North Carolina from Hurricane Helene this last week. Even as I write this, Florida is about to get hit again with a storm

even worse than the one before.

Remember back in 2012 when the Jersey Shore was turned inside out by Superstorm Sandy? Remember the destruction and the pain? Remember how it felt like recovery just went on forever? Remember the aid that was sent from all over to help?

Now it's our turn to be the aid.

As United Methodists, we are part of a large connectional system and churches all over the globe have begun to respond in supplying food, water, and other supplies. As the areas are deemed safe enough, we will get in and start the recovery process. We get to participate in that work right here and now. It's possible we may be able to send a team down south in time, but for now, we get to participate the United Methodist way.

One of the biggest ways we do that is by building cleaning kits (sometimes known as flood buckets) and hygiene kits. Over the next few weeks we will be collecting items and funds to build the buckets. You can find the list of what is needed at the links below. It is very important that if you are donating items, you donate the item EXACTLY as it is described on the list. Otherwise, we won't fit everything in the bucket.

You can drop off supplies at the church during office hours or Sunday mornings. We will plan an assembly day in the near future.

Let's dive into being Beacon UMC through this act of loving people as God's hands and feet!

Blessings friends,
Pastor Nicole

Denominational News

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God." Philippians 4:6

Dear Pastors and Lay Members of the Metro Highlands Region,

Grace and peace to you in this Summer season!

In January, our region discerned that prayer would be a central focus for 2024. Since then, we've been sending weekly emails, lifting up each church and pastor by name. It's our hope that you've felt the impact of our collective prayers, fostering connections among leaders and congregations as we support one another in prayer.

Continuing in this spirit of unity and intercession, we invite you to join us for virtual monthly prayer meetings from August to December. These gatherings will take place on the first Tuesday of each month, offering two sessions for your convenience at 12 noon and 7 pm.

Each meeting will last for a half-hour, during which we will break into small groups to pray. The dates for our upcoming meetings are as follows: **November 5**, and December 3. Please use the Zoom link included below for our prayer meetings. For those who prefer to connect by phone, a call-in number is also provided. We encourage you to share this invitation with your congregation and friends.

Together, let's come before the Lord, lifting up our churches, our denomination, our communities, and the world. We look forward to praying together and

experiencing the power of collective prayer as a community united in Christ.

Here is the Zoom link to join us monthly:

Metro-Highlands Day of Prayer

This will occur the first Tuesday of the month for a half hour at 12 noon and 7 pm: October 1, November 5, and December 3.
