

Greetings Brothers and Sisters of Local 933

The UAW Aerospace Council supports you in demanding a fair and equitable contract for your members and their families. The Aerospace industry is continuing to see record growth and is forecasted to prosper.

The UAW Aerospace Council supports you in the fight against the Tiered wages in your plant. Rolls Royce North America is making record profits; they can afford to pay the same wage for the people performing the same work.

The members of Local 933 are the boots on the ground that has produced record profits for Rolls Royce North America. Members of 933 have given years of hard work to Rolls Royce North America, enduring the wear and tear of demanding jobs. It is time for the company to show real appreciation by ensuring your members can retire comfortably. Rolls Royce North America **MUST** pay its Fair Share.

The time for division is over and this council from across the country will **STAND STRONG** with you.

IN SOLIDARITY,

To the Members of UAW Local 933,

On behalf of UAW Local 647, including our executive board and bargaining committees, we stand in full solidarity with you in your noble fight for fairness. The challenges you are facing are not just about wages and benefits, but about the dignity and respect owed to every hardworking UAW member.

The idea that anyone should pay \$16,000 out of pocket for healthcare is beyond unreasonable—it's unjust. Healthcare, fair wages, secure retirement, and protection against inflation should not be up for debate, especially from a company profiting \$2 billion. A company of this size and success can and should treat its employees better.

Your fight is a fight for all UAW families. We know the strength and determination you bring to the table, and we back you as you push back against unjust tiers, inflation, and the strain on retirement. Your efforts are paving the way for a better future for everyone in the labor movement.

Stay strong, stay united, and know that UAW Local 647 is behind you every step of the way. Together, we will continue to rise, and together, we will win.

In Solidarity,
Brian Strunk
President UAW Local 647
