

SSI

Export/Import Service Provider - Flat Fee \$975

Preventive approach to Issues

- a) Proactive management of entire export/import process abroad and in US
- Complete control of setting up with outfitter, dip/pack/taxidermist and shipping prior to the hunt (but can pick up from any point thereafter)
 - Send correct legal information to be used for hunting permit/register that will be used to apply for export permits (this prevents mistakes later)
 - Validate list of trophies collected from the outfitter (to ensure accuracy)
 - Follow up regularly with folks abroad to ensure quick turnaround of trophies
 - We make your payments for dip/pack/shipping to parties abroad
**only after trophies are ready & export documents are ready
 - Approval of export documents PRIOR to departure (to avoid problems after arrival)
 - We apply for any import permits required
- b) Consolidated Shipping to any of our 7 Locations
- Savings on international shipping on a consolidated basis (\$100-\$300 avg.)
 - Savings on inland transportation to tannery vs taxidermist (eliminates one route)
- c) File entries with USFWL & Customs upon Shipment Arrival
- Involvement with USFWL to explain and assist with any issues
 - To date, **0 Seizures**
- d) Upon clearance, provide tracking information, 3177 and packing list to hunter and Taxidermist and/or tannery

Other Brokers

Customs Broker for Clearing in US \$700

Not involved in Pre US Arrival

- a) Responsibility of managing the export/import process is solely for Hunter
- c) File entries with USFWL and Customs upon Shipment Arrival
- d) Responsibility of Hunter
