Sept 4 & 5, 2021
MSU Pavilion
East Lansing, MI

Lamafest is unique among llama shows in its offering of activities for the llama owners as well as the general public. It is one of the largest llama shows in the country and has been a wonderful showcase for the finest llamas and vendors for over 30 years.

We promote our event on social media, newspapers, area and regional news sites, including MSU news. Lamafest has been featured on area news broadcasts and M-Live. With the current popularity of llamas, we anticipate even more visitors to our show this year.

The large pavilion area is always bustling with visitors. The Vendor area is centrally located in the pavilion so it buzzes with excitement. Don't miss this opportunity to market your products, meet new people and have some fun!

"2018 was my first experience vending at Lamafest and I have to say it was one of the best organized vending experiences I have had in quite a long while. I appreciated the friendliness and helpfulness of the staff, the nice size booth, and the assortment of other vendors attending. Lamafest, for me, was a home run." Kathy Ainsworth, Clear Sky Alpacas

Each vendor booth is 10' X 10' for \$75 including electricity and chairs. Tables are available for \$10 each. Check-in and set up opens 11am Friday. Booths open Saturday 9 am to 5 pm, Sunday 10 am to 4 pm.

We welcome vendors offering ALL fiber related products. If you have questions about your products or Lamafest: Contact Kelly Brandt Vendor Coordinator 616-902-2838 or kellybrandt@yahoo.com
