Selection Process and Criteria

The MLA Board or its appointed agency will select five (4) non-affiliated MLA members to form a selection committee. Also, sitting on the committee will be Ron Zechlinski. Committee members will review each application on a point basis. Total points from the committee members will be averaged to determine an applicant's ranking in the evaluation process. Final selection of the winner(s) will be based on the ranking averages.

Selection will be made by evaluating each initial application on a 100 point scale:

- ◆ 10 points academic performance based on an official transcript from high school or current transcript from an accredited post high school.
- ◆ 25 points extra-curricular activities and community involvements including MLA related activities (Including details of contributions and/or volunteered time to the MLA during the past 5 years).
- ◆ 20 points personal essay.
- ◆ 25 points MLA member recommendation.
- ◆ 10 points over all impression and need.
- ◆ 10 points academic recommendation.

Selection for renewal will be made by evaluating each application on a 60 point scale:

- ◆ 40 points academic performance based on official transcript(s) from the academic institution the student is currently attending or has attended. Transcripts must include information for at least 2 consecutive terms.
- ◆ 20 points personal essay
- ◆ If competing with initial applicants, the renewal score will be proportional to the 100 point scale used for initial applicants.

Scholarship Description

In the fall of 2003, the MLA board approved the development on an annual scholarship program. The intent of this award is to help members and their families offset a portion of the educational expense for vocational and academic training beyond high school. This program will be administered by the MLA board or its appointed agency. In 2011 the Laurel Zechlinski Memorial Scholarship was established by Ron Zechlinski as a separate scholarship administered by the MLA board or its appointed agency.

Each scholarship consists of \$1,000 stipend given to the students chosen by a selection committee determined by the MLA board. The scholarships will be presented at Lamafest and Alpaca Showcase each fall.

Once awarded, the scholarship would be renewable by application for any year a student attends an institution granting skill certification, associate, undergraduate or graduate degrees. A student would be eligible to renew the scholarship a maximum of three times during his/her academic career.

The number of scholarship awards and/or renewals will be determined annually. This determination will be made by the board or its appointed agency based on the funds available, the number of applicants and the selection process.
