

— The Beyond Inspired Scholarship

The Beyond Inspired Scholarship Program is designed to recognize high school seniors who have a desire to pursue post-secondary education and/or training. Each Summer, \$100 and \$500 scholarships will be awarded directly to recipients. Additionally, a donation of \$25 will be made to the teacher each recipient wishes to recognize.

Purpose

The purpose of this scholarship is to provide financial support for students who wish to pursue opportunities to better themselves through college courses and/or post-secondary training programs. Emphasis is placed on students who demonstrate that they can truly "inspire" their family, community, and others.

Application Process

Interested candidates should complete the online scholarship application. Applicants' personal narratives weigh heavily in the selection process. Once submitted, the application will be reviewed for completion and provided to the scholarship committee. The committee will then review applications and identify scholarship recipients. Selected students will be notified by email.
