Building update:

* Our drive way has built up a few pot holes and could use some filling. If you can help, please contact us.

* We are still looking for a good used propane stove to replace our current stove. Our stove is not to code and can no longer be used.

* We could also use a new Fridge as the big soda Cooler is on it's last leg. If you know any one who may have one of these they are selling, please let us know.
