Website: Our new website is up and running. Please go on and take a look at: www.lunenburgsportsmensclub.org any ideas to improve it, please let us know.

Gun Safety Classes.: There have been none set up due to the power issue. If you have any questions, please call Alan Herget at 978-790-1845.

Rifle and Pistol: Targets have been repaired in the Ranges. Please use common sense out there. We have found alcohol bottles and the rifle range has been left quite a mess. The range is on water dept land, if we abuse it, we could very well loose it. If you see something that is not right, bring it to our attention. Please help remove trash from the ranges and bring it to the dumpster. Trash pick up for the Dumpster is the first Thursday of every month.

Building Target Frame instructions have been posted on the website Firearms page for you to make and use at the ranges when practicing. Follow the measurements and you should be good to go.

Rules to remember: Please keep all shots in the Berm, no skeet, trap or hand thrown items. Shot guns to be sighted in with SLUGS only and within 25 yds of the berm.

No shooting before 8:00AM Monday thru Saturday and no Shooting before 9:00am on Sunday

Be sure and fly the Red Flag in the red box on the Flag Pole. Remember shooting still needs to cease a ½ hour before sunset. Thank you.
