Archery Tournaments—Our outdoor Season has ended. The indoor tournaments will begin in November. We will host a USA Star Fita on November 11 & 12. We will be choosing dates for the MFAA shoots on October 15th, more information to follow. Hope to see you indoors.

Gun Safety Classes.: As we have not offered classes at the club since the power issue. Eric Mabie and Tom Spinelli have agreed to offer classes. If you have any questions and would like to take a class please email: info@lunenburgsportsmensclub.org and they can help you.

Rifle and Pistol: The Trash in the ranges need to be emptied. The Dumpster gets picked up on the First Thursday of the month. If you are out there and can get rid of some trash, please bring it to the dumpster. Please remember to pick up your brass. And we have been finding live shells out there and not just 22's. And please, no Shot Guns. These are restricted at the club to 25 yards from the berm with Slugs only. We have been finding shot gun shells everywhere!

The Rifle range is Water Department land. Respect it, if you don't want the club to lose it.

Building Target Frame instructions have been posted on the website Firearms page for you to make and use at the ranges when practicing. Follow the measurements and you should be good to go.

Rules to remember: Please keep all shots in the Berm, no skeet, trap or hand thrown items. Shot guns to be sighted in with SLUGS only and within 25 yds of the berm. No shooting before 8:00AM Monday thru Saturday and no Shooting before 9:00am on Sunday. Be sure and fly the Red Flag in the red box on the Flag Pole. Remember shooting needs to cease a ½ hour before sunset.
Be Safe and have a good Day. Thank you.
