

SCRIP FUNDRAISING INFO & FAQ

Scrip is a type of fundraising where you purchase gift cards for the face value from us, and we purchase them at a discounted rate. The difference between the face value and the discounted price is the profit we make, which goes directly to South Coast Stars

For example, if you buy a \$100 gift card to a grocery store, you pay us \$100. We may have purchased that same gift card for \$96. That \$4 difference is our profit! You still get the full \$100 to spend at the store, just as you would with any other gift card.

How does it work?

1. You purchase gift cards from us for the face value. We have a wide variety of retailers available, from grocery stores and gas stations to restaurants and clothing stores.
2. We buy the gift cards at a discount through a scrip program provider (e.g., RaiseRight, Groupraise*, etc).
3. The profit from the discount goes to our organization. This money helps us fund our programs and events.
4. You use the gift cards for your everyday shopping, just as you would with cash or a credit card.
5. 10% of the profit goes to the Booster Club General Fund
6. 90% of the profit goes back to you, in the form of a 'Dancer Fund' credit.
7. Money in your 'Dancer Fund' can be used as reimbursement for approved items (see list on next page).

*Groupraise is the platform for Krispy Kreme Digital Dozens, Regal Move Ticket Bundles, and Dave & Buster's Power Cards

Our Scrip program will distribute the rebates twice yearly, January and June. Participants are required to submit a reimbursement form and provide documentation of expenses in order to receive rebates.

APPROVED SCRIP FUNDRAISING PROGRAMS
