

The Ugandan Community Church Privacy Policy:

As a church, we are committed to stewardship, including the care of your information. Read this Privacy Policy to get a clear understanding of how we collect, use, protect, or otherwise handle your personal information on our website.

Personal Information

When donating on our site, you may be asked to enter your name, email address, mailing address, phone number, credit card information or other details to help you with your experience. You may also be asked to enter your email address when signing up for our newsletter.

Either way, we simply use this information to process your donations and send you periodic emails regarding our community – we do not sell, trade, or otherwise transfer to outside parties. Anytime you would like to change your personal information, just contact us.

Security

We process your donations through a secure gateway provider, so we do not store or process them on our own servers. However, should a data breach somehow occur, we will notify you via email within 7 business days. In accordance with Individual Redress Principle, you have a right to pursue legally enforceable rights against data collectors and processors who fail to adhere to the law.

Tracking

We use cookies to compile aggregate data about site traffic and site interactions in order to offer better site experiences. We also use trusted third-party services that track this information on our behalf, such as Google Analytics (with Demographics and Interests Reporting).

If you turn cookies off, it should not affect your experience too much. We also do not track signals – we do not track or plant cookies when a Do Not Track (DNT) browser mechanism is in place.

Marketing

We do not specifically market to children under 13, nor do we include/offer third-party products or services on our website.

If at any time you would like to unsubscribe from receiving our newsletter emails, you can unsubscribe using the contact information below, and we will promptly remove you from all correspondence.
