Foster a strong loving relationship with your new puppy. Filled with useful and fun information.

Includes:

- House Training
- Solving Chewing Problems
- Socialization
- Coming When Called
- Constructive Play Training
- Stress-Free Vet & Grooming
- Sit & Down
- Leave It & Wait

MANNERS & MORE

* 6 months and older

Teaches exercises that develop manners to make your dog a welcome family member in all areas of your life. Includes:

- Attention & Focus
- Sit & Down
- Greeting People
- Loose-Leash Walking
- Coming When Called
- Leave It, Wait, & Settle
- Solving Chewing Problems
- Games & Tricks

CANINE GOOD CITIZEN

* pre-requisite:

Manners & More

AKC certification class.

Identifies your dog as well-mannered and you as a responsible owner.

Demonstrate proficiency of training without the aid of treats, toys, restrictive collars, or harnesses. (Some homeowner policies accept 'restricted breeds' with CGC certification.)

K9 NOSE WORK®

* 6 months & up

Fun search-and-scenting activity. Increases scent discrimination skills through games and pursuits. Begins at any stage of life. Promotes communication and bonding between dog and partner.

AKC® NOVICE TRICKS

* pre-requisite:

Manners & More

AKC certification and title. Sharpen techniques and responsiveness. Requires brain work, which is like running a marathon for your dog. Learn and master 10 tricks from the AKC list.

FOCUS: LEASH

* pre-requisite:

Manners & More

Leash manners allows dogs to enjoy more of the world with us, and to share spaces with other humans.

LECTURE: POTTY PRO

* 1-Hour Class for Humans Only

Homework and advice to help you with your mission of potty success. Great for anyone who is having potty problems in the home, and useful for dogs who scent-mark.

FOCUS: JUMPING

* pre-requisite:

Manners & More

Jumping for attention can be problematic and dangerous. Learn why they jump, and practice games to help your dog grow self-control muscle and find consistent success.
