Surf Property Maintenance

This policy outlines how we operate so we can provide reliable, high-quality service while keeping pricing fair for all clients.

1. Pricing & Minimum Charges

- A **minimum service charge applies to every visit.**
- Prices are based on time, labour, equipment, fuel, and ongoing maintenance.
- All pricing is firm and **not negotiable.**

Regular pricing applies only when services are kept on a consistent schedule.

2. Service Scope (What's Included)

- Services provided are **only those quoted and agreed upon.**
 - Any additional work requested (on the day or otherwise) is **quoted separately.**
 - We do not provide free or "quick" extras.
-

3. Scheduling & Cancellations

- Services are scheduled as **weekly, fortnightly, or monthly.**
- A minimum of **24 hours' notice** is required to skip a service.

Skipped Visits

- Skipping a visit may result in:
- Increased lawn height
- Additional time and labour
- **Adjusted pricing on the next visit**

Skipping services does not lock in previous pricing.

4. One-Off vs Regular Services

- **One-off services** are priced higher than regular maintenance.

-

5. Payments

- Invoices are issued immediately after service.

Late Payments

-

6. Access Requirements
