# our story on how it became... friends, family, and full bellies...®

ciao!  
welcome to amici 30A Italian Kitchen and welcome to our story of how amici 30A came to be.

george and amy met at the age of 16 in windsor, ontario, canada. amy is from michigan and george from canada. george was raised in the hospitality industry and continued along that path for the next 20+ years working in the gaming and resort business. his career took him and their four kids, jordin, nathan, alyssa, and gillian (lily) on an ever changing road that led to many relocations and making new friends in many different states.

george is a food guy, his kids call him a foodie and if you are out to eat with george you will not leave hungry. amici 30A Italian Kitchen was born out of his love for food and his dream to build something with and for his family. jordin, the oldest, graduated from college in may of 2016 and was interested in doing something entrepreneurial with his dad and so our path altered once more. nathan, alyssa, and lily were on board for this new journey and from there amici 30A was born.

the name amici, italian for friends, was born out of our life experience and living away from home and our families.

the friends we made along our lifes journey became our family away from home. these friends sustained us, loved us, built us up, and shared some of lifes most precious moments. to all those friends, amici 30A Italian Kitchen pays homage to all of them.

we have all contributed and added our special touch to make you feel at home. so when you are not seeing jordin and nathan on the course, alyssa somewhere helping those in need, lily singing on stage somewhere, or george and amy walking on the beach...know you can find us at amici 30A.

we are thrilled to welcome you in to amici 30A Italian Kitchen and want to thank you for dining with us and sharing your special moments with us.

*ENJOY

### amy's - burrata 28

burrata & sea salt served with crostinis

this is a special product to our family. after tasting this burrata from bari, italy... we spent a few years finding a way to import this exact cheese to our restaurant and share with you...

we have finally found a way...

every wednesday we send a text with an order for this burrata. a few hours later when the producers wake up in bari, italy (the birthplace of burrata)...they go milk the cows on their farm and by saturday, our burrata is ready.

that same day they drive our fresh, never frozen burrata to the airport and fly it to us. we send a courier to our local airport to pickup the burrata and a few days after the burrata is made, it is served to you fresh, never frozen.

the root word in burrata is "buro" which means butter. you will taste the heavy cream & rich butter so strongly and will be craving more...
