

# Refund Agreement

I \_\_\_\_\_, agree to the registration fee for Football/Cheerleading and that the refunds have limits as stated below.

I \_\_\_\_\_, understand and agree that half of the registration fee for Football/Cheerleading (for each child I am registering) is NON-REFUNDABLE.

I \_\_\_\_\_, further understand and agree that the remainder in full of the registration fee (after the NON-REFUNDABLE DEPOSIT) becomes NON-REFUNDABLE on the first day of practice.

I \_\_\_\_\_, further understand and agree that if my check is returned to us, the following stipulations will apply:

- Returned check fee of \$35.00
- Balance of check will be due (plus the check fee) immediately
- Cash or money order will only be accepted, no check in the future
- Child will be removed from the current roster until the check is paid in full of all the fees applicable.

I \_\_\_\_\_, understand that my child will be issued equipment for the duration of the season. It is my responsibility to ensure the proper care and maintenance of the equipment during my child's usage. If I'm uncertain of the proper method to maintain or clean the issued equipment, I will contact the appropriate person for the instructions. The organization is not responsible for the repair or cost to repair issued items the organization determines as not properly maintained; the parents are.

All issued equipment must be returned in the same condition that it was issued, excluding everyday wear. Failure to return issued equipment will result in a theft complaint filed with the Hillsborough County Sheriff's office for recovery.

My signature as follows verifies that I understand and accept these terms.
