Matchday Information

There is ample parking on site.

Our pitch is grass.

Players will **not** warm up on the pitch prior to the game. There is an allocated warm up area to the left hand side of the pitch and changing rooms.

Goalkeepers can warm up on the pitch – poles will be provided to allow them to warm up to the side of the goal area.

Post-match

Refreshments will be provided after the game for players and officials in the bar area.

Please make us aware how many travelling club officials you have attending.

Additionally, if you are not staying after the game for refreshments, please make us aware so the food is not wasted.

The bar is open for alcoholic and soft drinks.

We also have a tea kiosk by the pitch serving hot food, soft drinks, and hot drinks during the match.
