

Executive Director Letter for September 2, 2026

LIGHTS CAMERA ACTION!

It is amazing what spark of life enters a ministry when God brings you talented office staff!

We are blessed to have hired two new office staff, and with their help we are in the process of fully staffing both of the homes on our property.

Covenant Children's Home hosts Citrus County's only DCF Group Homes. We will soon be at full capacity as we minister to local foster children.

The community has really been stepping up in support financially and voluntarily. What a blessing that is to us all. A special thanks to the local pastors who put the word out about our staff needs.

Those interested in partnering or volunteering with Covenant Children's Home please contact our office at (352) 489-2565 or (352) 436-9899. We will soon need more tutors (5-6pm) partnering with us. Availabilities come and go due to the transient nature of our community.

We value your continued prayers for guidance and stamina.
