

Platform:

- 100% opposed to Carbon Capture and Storage (CCS); Elimination of 45Q tax credits
- 100% opposed to out of state water sales
- 100% opposed to foreign investors owning American farmland

I support:

- Insurance reform
- No tax on SS
- Fiscal responsibility/no government waste
- Government transparency
- Governing for the will of the people
- Economic development, that brings real jobs to district 4, without injecting hazardous materials beneath our communities and groundwater
- Strong border security and strict immigration laws
- Tax reform (flat rate 10% tax)
- A strong and powerful military (Fort Polk and Barksdale Air Force Base)
- Accountability for foreign aid including military aid for foreign countries
- Forestry and Agriculture
- Small businesses
- American companies over foreign companies
- Term Limits
- America first with District 4 a close second!
