Rate Increase Notice

Effective January 1, 2024, Novo Counseling KC LLC will be raising their rates. We will begin charging \$200 per 45 minute sessions at the beginning of the year, up a total of \$50.

What this means for you:

- If you are seeing us through insurance, this should not change the co-pays that are stated in our insurance contracts much, if at all.
- If you are doing self-pay, please speak with your provider about rate changes.

This decision came as a result of increasing overhead costs, insurance rates, and inflation.

Thank you.
