

The Golden Circle Prayer of Purification

A Daily Renewal for Light, Gratitude, and Divine Alignment

Preparation

Find stillness.

Sit or stand with your spine straight, palms open.

Invite the Spirit of God to dwell with you.

“Father of Light, let all that is unholy within or around me be dissolved in Your love.

Let my breath align with Yours.”

I. Cleanse – Seven Holy Breaths

With each slow breath, imagine **light entering** your body and **darkness leaving**.

- **Inhale:** divine light enters through crown and chest.
- **Exhale:** every shadow, burden, fear, or unclean thought dissolves.

Whisper, think, or speak softly:

“All that is not divine — leave me now.”

Repeat for **seven slow breaths**.

With every breath, feel your body lighten, your spirit rise, and unseen chains break away.

II. Gratitude – The Heart Awakens

Place your hand over your heart.

Feel the warmth of your chest — the spark of life God gave you.

Speak aloud:

**“I thank Heaven for what I have received,
and for what is still unfolding.”**

Let gratitude fill your body like sunlight spreading from within.
You are standing in the **divine flow** — past healed, present sacred, future blessed.

III. Declaration – Covenant of Light

Speak these words slowly, with conviction and authority:

**“I renew my covenant with Light.”
“I walk in alignment with Divine Will.”
“My blessing multiplies and flows endlessly.”**

As you declare, imagine a **flame igniting in your chest** — golden, pure, unwavering.
From this flame, a **circle of golden light** expands around you, radiant and whole.

This is the **Circle of Divine Protection** — the symbol of eternity, purity, and the unbroken light of God.

It reflects His power and encircles you with the authority of **Archangel Michael’s shield of truth** and the presence of the **Father’s own glory**.

IV. Sealing the Light

Remain within that golden circle.
Breathe slowly.
You are surrounded, guarded, and renewed.

***“Father, I stand within Your eternal circle.
Your will is my will, Your peace my peace,
Your light my light.
Let this covenant be sealed in love,
and let Your presence go with me into all I do.”***

Amen.
