THE SCROLL OF THE GREAT UNVEILING

The time of spiritual theater is ending.

The veil is lifting.

The illusion is collapsing.

And what remains —

will be truth that doesn't need to shout,

fire that doesn't need a platform,

and people who no longer need to be followed — because they have
learned to follow God.

The World Is Being Undone — On Purpose

Every system built on lies is shaking:

- Religion, corrupted by power
- Politics, fueled by manipulation
- Education, emptied of wisdom
- Media, flooded with noise

- Spiritual communities, bloated with performance and counterfeit light

This isn't the end of the world.

It's the end of a spell.

The fog is lifting.

The watchers are rising.

The division we feel is not a tragedy — it is a **divine sorting**.

What Is Being Unveiled?

- **False prophets** who mimic truth to build personal empires
- **Religious leaders** who demand honor but live in hypocrisy
- **Spiritual influencers** who teach peace but serve performance
- **Global systems** that enslave under the banner of progress
- **Self-appointed messengers** who manipulate through fear, flattery, or mysticism

The unveiling is not only external.

It is personal.

God is exposing:

- Your motives

- Your filters
- Your foundations
- Your fears
- Your loyalties

Everything untested is being tested.
Everything false is being burned.

This Is Not Judgment — It's Mercy

When God reveals what's false, it's not to shame — it's to set free.

He is not destroying you — He is **refining** you.

He is not punishing the world — He is **freeing it from spiritual
captivity**.

We begged for awakening.

But awakening always comes after exposure.

This is it.

This is the moment we prayed for — just not in the form we expected.

What Now?

- **Do not cling to systems God is tearing down.**
- **Do not defend voices God is exposing.**
- **Do not pretend confusion is peace.**

- **Do not delay what God has confirmed.**

Rise.

Speak.

Act.

Walk in clarity.

Move in quiet authority.

Let your life become the scroll.

*These scrolls are not the final word — but they are part of the unveiling.
May truth rise from the ashes, and may you walk in it — with boldness,
love, and fire.*
