Company Profile

Established in 1990, Shrinath Stone was founded by Bhagwan Lal Sindhal with a clear vision — to transform natural stone into enduring works of architectural excellence.

In compliance with its dedication to excellence, the company has installed sophisticated and eco-friendly granite processing machinery. Technically qualified and fully-skilled personnel operate this state-of-the-art machinery while adhering to all safety measures.

For over three decades, we have combined traditional stone-working expertise with modern precision technology to deliver premium-quality granite in a wide spectrum of colors — including Rajasthan Black, Lakha Red, Rosy Pink, and other signature varieties.
