

Goldfish Pond Flagpole Rules

In 2021, the GPA received funds for the purchase of a flagpole in the center island. This is a lightweight removable flagpole. On 5/17/2022, the GPA members voted on the following process of flying flags. The following rules set forth the process of flagpole use:

- 1.) Only GPA members can request a flag to be flown.
- 2.) GPA members must attend a meeting and make their request for type of flag with accompanying flag flying dates.
- 3.) A calendar will be created with the flagpole schedule.
- 4.) The flagpole calendar will be voted on for the entire calendar year at the 2nd GPA meeting each year, usually held in May.
- 5.) Once the calendar is approved by the GPA attendees of the 2nd meeting, that will be the set schedule for the season.
- 6.) GPA members can request flags throughout the season, however those requests will be forwarded to the following GPA calendar year.

2022 Goldfish Pond Flagpole Calendar:
