

July 2023

**To Whom It May Concern,**

On behalf of Sport Manitoba, I am pleased to provide a letter of support to the Morden Track and Soccer facility development.

Sport Manitoba works closely with rural communities to support the development of facilities that can create new programs and activities that promote physical activity and healthy living along with a sense of community and camaraderie amongst its citizens. This free accessible dual activity facility with proximity to a school promotes both youth and adult sport and recreation. With Morden's proximity to major centres this facility has the potential to host many tournaments, provincial events and the Manitoba Summer Games bringing in hundreds of people to spectate, compete, and train.

Sport Manitoba fully supports this initiative, and we look forward to continuing to provide training, programming, and competition opportunities for the development of athletes, coaches, officials and volunteers in these sports in Morden.

Sincerely,

A handwritten signature in black ink that reads "Janet McMahon". The signature is written in a cursive style.
