TRACK SOCIETY

WHO WE SERVE

Track Society serves aspiring and emerging independent music professionals ages 18 and older throughout Greater Houston, including but not limited to artists, songwriters, producers, audio engineers, DJs, managers, and other creative and music business professionals.

Track Society is a Houston-based 501(c)(3) nonprofit and Houston's Indie Music Development Network, focused on workforce readiness, professional development, creative wellness, and resource navigation.

Through programs such as Track Meet, Track Tryouts, and Bars & Stripes, we connect aspiring and emerging independent music professionals with educational opportunities, trusted resources, and meaningful relationships that support sustainable creative careers.

OUR STEWARDSHIP APPROACH

Track Society helps connect aspiring and emerging independent music professionals with Houston's broader music ecosystem.

We believe sustainable careers grow through education, trusted relationships, professional accountability, and shared responsibility.

Our community is built on meaningful participation, collaboration, and the understanding that everyone has something to contribute.
