Subject: 20-21 Academic Program Assessment Report Feedback

Hello,

We have completed an informal review of your 20-21 APAR (Hotel and Restaurant Management BS) and would like to commend you and your department for continuing to sustain your College's 100% submission rate. This is no small feat!

You provide an excellent analysis of results and transparency of your process- good work! Your use of a faculty survey to enrich and inform your administration of the program is exemplary. However, your "Written Paper Criteria and Grade Sheet" could also be easily developed into an informative rubric for your students' benefit.

Thank you for participating in this crucial process. We value your contribution.
